Data sheet

HP 80X 2-pack High Yield Black Original LaserJet Toner Cartridges

(CF280XF)

Print more and save more. Original HP LaserJet high-capacity dual packs offer a better value than individual cartridges. Stay productive by keeping an extra cartridge on hand. Print professional-quality documents that impress.

Ideal for value-conscious customers printing high volumes of professional-quality documents.

Get a better value than individual cartridges.
Stretch your printing budget. Original HP LaserJet high-capacity dual packs offer a better value than individual cartridges. Print more pages for less with two high-capacity cartridges packaged together. Save on shipping – only one product to order.

Maintain productivity and minimise downtime.
Stay productive and save time. Reduce shopping trips – choose two high-capacity cartridges packaged together instead of individual cartridges. Decrease downtime by keeping an extra cartridge on hand. Intuitive design makes replacing cartridges easy.

Produce professional results time and again.
Print with confidence. Original HP LaserJet high-capacity toner cartridges are designed together with HP printers and MFPs to offer excellent performance. Make an impact with professional-quality documents.

Compatibility statement

HP LaserJet Pro 400 M401 Printer series; HP LaserJet Pro 400 MFP M425 series

Product specifications

P/N	Description	UPC code	Dimensions (l x w x d)	Weight	Average Cartridge Yield
