Data sheet

HP Executive Backpack 15.6”

Built to carry the world on your shoulders

Protect your bag’s contents while you’re on the move with the brown HP Executive Backpack, which has a lockable, double-teeth zippered notebook compartment, secure RFID pocket to safeguard your ID, and a discrete pocket for the optional HP TrackR Device[1].

Seriously secure

Arm yourself against electronic pick-pocketing with the RFID-shielded pocket. Deter tampering and access to your notebook with the lockable double-teeth zipper.

Never lose your bag again

Keep track of your bag and belongings with the optional HP TrackR Device[1], which fits neatly into a discrete pocket and enables device tracking your phone through a Bluetooth® connection.

Pack it all in

Carry your notebook up to 15.6” diagonal, tablet, phone, papers and more with a padded compartment and plenty of pockets. The top zip closure and exterior pocket give you easy access to the items you use most.

Comfort is key

Throw the bag over your shoulders to keep your hands free, or carry by hand with the single handle. Commuting and traveling are easier than ever with a luggage pass-through that fits over the handle of most rolling suitcases.

[1] Sold separately see product insert. Compatible with iPhone 4s and later and Android 4.4 and later with Bluetooth® low energy. Availability varies by region
