Datasheet

HP Spectre X2 12-a005na

Our thinnest detachable separates from all others

Brilliant design is about getting the best of both worlds, with none of the limitations. Our thinnest detachable spares nothing – it's durable, stylish, and powered to boost your productivity as a PC, a tablet and an irreplaceable sidekick.

Premium 2-in-1 experience

Work with full PC power on a high-performance keyboard, or travel freely with the versatility of a Full HD tablet in one resourceful device.[1]

Masterfully crafted

Sculpted from a single piece of aluminum and a stainless steel kickstand for a solid, seamless finish, our thinnest detachable combines astonishing elegance with dependable durability.

Untethered freedom

Work beyond the outlet. With up to 10 hours of battery life[2] and LTE capability, you've got the freedom to leave the plug behind.[3]

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.[4]

[1] Full High definition (FHD) content is required to view FHD images. [2] Windows 10 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See http://www.bapco.com for additional details. [3] HP DataPass service starts on date of your registration of your device. Use or activation of HP DataPass service is your agreement to Fogg Mobile AB's Terms and Conditions who provide this service on HP's behalf of HP. Subject to network availability HP DataPass entitles customer to 250 MB inclusive data usage every month for two years from the date of registration. Your included monthly data package supports roaming if you are registered in France, Germany, Netherlands or Switzerland. For all other countries your included monthly data package is for use in your registered country only. Additional HP DataPass mobile data plans are also available to purchase for use in country and travelling within the HP DataPass countries, please visit the following link for HP DataPass availability [www.hp.com/go/hpdatapass]. Data connection speeds can vary due to location, environment, network conditions, and other factors. Available on select HP PCs and Tablets SKUs in select countries only, check the following link for HP DataPass availability [www.hp.com/go/hpdatapass]. [4] Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.
