HP ENVY All-in-One 24-n020ne

A work of art at any angle

Iconic design transcends all expectations. We crafted the HP ENVY All-in-One with the intention of making a statement. This isn't just a computer – it's a work of art. From the artfully inspired stand to the crystal clear Quad HD display, this computer is worthy of a gallery.[1]

A design icon

This beautifully crafted All-in-One features a head-turning design inspired by the lines and curves of the modern movement. Any way you look at it, it's sure to impress.

Art imitates life

The first All-in-One PC to be Technicolor Color Certified, for true-to-life color. Your content will come alive like never before.

Masterful performance

With a 6th generation Intel® Core™ processor and up to 16 GB of RAM, you'll have more than enough power for everything you do.[2]

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.[3]

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.[4]
- Get true-to-life colour with the high standards of Hollywood industry leaders, perfect for watching movies just the way the filmmaker envisioned it.
- Two microphones and advanced noise reduction software help Cortana hear you with crystal-clear accuracy.[5]
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.

[1] Quad HD (QHD) content required to view QHD images. [2] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. [3] Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required. [4] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com. [5] Cortana experience may vary by device.
