Datasheet

HP Slimline Desktop 260-a102no

Slim on size. Big on reliability.

Conquer your day with the expanded storage, powerful processor, tested reliability and smaller footprint of this slimmer HP tower. Finding an affordable tower with the full performance you need and the name you trust just got easier.

Built to last
When you're looking for a desktop that just doesn't quit, HP has you covered. We put every tower through over 100 tests, ensuring its trusted reliability.

Names you know. Performance you can trust.
From the powerful processors to the Windows 10, these HP Towers are packed with reliable and proven technology from trusted brands.[1]

Cyberlink PowerDirector and Power Media Player included
Whether you're editing pro-quality videos or just watching your favorite DVD, powerful software gives you all the tools you need.

HP Lounge, get closer to the Artists you love
With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.[17]

[1] Not all features are available in all editions or versions of Windows 10. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows 10 functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com. [17] Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.

Datasheet

HP Slimline Desktop 260-a102no
