HP Spectre x360 13-4151nia

Does your notebook bend over backwards for you?

It's time to demand more from your notebook. Function meets flexibility in the elegantly designed x360. Any way you bend it, the Spectre x360 delivers. With four modes, lightning-fast performance, and impressive battery life, this convertible notebook has the best of all worlds and the shortcomings of none.

Distinctive versatility

Enjoy a seamless transition from notebook to tablet and everything in between, with an elegantly designed 360° hinge that lets this convertible notebook look great in every position.

Stunning style from any angle

Amazingly thin and light in a visually stunning metal body, this convertible notebook is a masterful blend of design and performance. With four modes in a 15.9 mm profile, what else compares?

Impressive performance. All day portability.

Enjoy lightning-fast performance throughout the day on this premium x360 that boasts up to 12.5-hours of battery life for your non-compromising schedule.[1]

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.[4]
- View photos, videos, and games with stunning clarity from almost any angle on this 33.8 cm (13-inch) diagonal Full or optional Quad HD touchscreen display with ultra-wide viewing angles.[3]
- Keep up with your most demanding tasks while preserving battery life with the speed and responsiveness of the powerful Intel® Core™ processor.
- Meet the lightning-fast drive that can keep up with your every demand. Load your apps fast with quick and efficient HP Solid-State Drives.

[1] Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See http://www.bapco.com for additional details. [3] High definition (HD) content is required to view high-definition images. [4] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com. [5] Internet service required and not included.
