Datasheet

OMEN by HP Headset with SteelSeries

When your PC is less of a workhorse and more of a battle station, equip yourself with gaming accessories designed to annihilate the competition. Developed with input from the top eSports teams, this headset's high-quality performance and precise attention to detail are the difference between crushing victory and heartbreaking defeat.[1]

Balanced soundscape

- Hear the key frequencies important to competitive gaming and never miss a critical sound.

Professional-grade comfort

- The lightweight headband and padded ear-cushions evenly distribute its weight for supreme comfort.

Retractable mic

- Pull out the mic for team play, and retract it safely into the earcup when you solo queue.

3.5mm mobile adapter included

- You can also use your headset with a mobile device, PS4, or the latest Xbox One controller.

On-the-fly adjustments

- With controls built into the cord, there's no need to alt tab
