

# HP Scanjet Professional 3000 Sheet-feed Scanner

This fast, desktop, sheet-feed scanner with ultrasonic double-feed detection is a small, efficient document management capture solution ideal for SMB/Enterprise.

## Digitise documents with fast, two-sided scanning.

- Scan up to 20 ppm/40 ipm at 300 dpi in black and white, greyscale and colour.
- Scan up to 50 pages at a time while tending to other projects using the automatic document feeder.
- Count on ultrasonic double-feed detection to scan every page — just press scan and walk away.
- Organise, archive and share files with Nuance PaperPort, and convert scans into editable files with Nuance OmniPage[1].

## Easily convert your hard copies to digital files.

- One-touch buttons make it easy to start scanning when you're ready.
- Easily scan from programmes and compatible applications already installed on your PC, using TWAIN software drivers
- Capture all the detail and fine print — get sharp, clear, legible documents at up to 600 dpi scanning resolution
- Scan in different file formats—PDF, TIFF, JPEG, Microsoft Word—and save disk space with smaller file sizes.

## Count on reliable document capture and HP support.

- Reliably scan every page of your document, using ultrasonic double-feed detection.
- Tackle a wide variety of paper types, thicknesses and sizes — business cards, A4-size documents and forms up to 34 inches/86 cm long.
- Rely on this scanner to work hard for you every day with a duty cycle of up to 1,000 pages per day.
- Get a one-year limited warranty including quick phone or online support from HP

## ECO HIGHLIGHTS

- Save energy with Instant-on scanning technology
- Reduce clutter and waste—scan and share documents digitally
- Uses 50% less packaging than previous model

ENERGY STAR® Qualified
