

HP ap5000 All-in-One Point of Sale System

This compact, all-in-one system offers flexibility and style with the performance you need.

The HP ap5000 All-in-One Point of Sale System is designed to take the guesswork out of creating a point-of-sale hardware solution and meet the space and performance requirements of retailers of all sizes. Ruggedized for retail, yet stylish enough for even the most high-end settings, the HP ap5000 POS System fits your existing retail ecosystem with ease.

Windows®. Life without Walls™. HP recommends Windows 7.

Eliminate the guesswork

Integrated hardware makes your decision easy: CPU, 38,1 cm (15") diagonal resistive touch screen display, magnetic stripe reader, and two-line customer facing display. To enhance your promotional activities, an optional 26,4 cm (10.4") rear LCD customer display is also available. Choose a solid state drive and Intel processor for the ideal configuration for your business. A USB+power port and three power-configurable serial ports helps eliminate cable clutter, plus you only need one power outlet. The HP ap5000 POS System is designed to run solidly throughout extended business hours without interruptions.

Ruggedized for retail

The HP ap5000 POS System provides reliable, retail-hardened engineering that minimizes downtime and helps keep your store running smoothly. The ruggedized POS system, water-resistant touch screen display, and 40°C ambient temperature support extend longevity through your normal business activities, including environments where users have wet or greasy hands and fingers. The durable chassis has endured environmental and shock testing to withstand prolonged wear and tear typical in a retail environment.

Supported by a brand you trust

For worry-free maintenance, HP provides a standard three-year limited warranty on all hardware components. You can also select from a range of HP Care Pack Services to extend your protection beyond the standard warranties ¹.

THE
COMPUTER
IS PERSONAL
AGAIN.

Accessories and Services

HP Cash Drawer

Designed around a full-sized till, the HP Cash Drawer has a narrow footprint, minimizing the amount of counter space required in your retail environment. There is ample storage in a deep under-till compartment to hold coin rolls and packaged bills.

Product number: FK182AA

HP USB Barcode Scanner

Used in conjunction with HP rp5000 and rp5700 Point of Sale Systems, the HP USB Barcode Scanner is a small, lightweight hand-held scanner which scans from industry-standard barcodes for fast and easy input of retail information.

Product number: EY022AA

HP USB Single Station Thermal Receipt Printer

The HP USB Receipt Printer is the ideal single station thermal receipt printer for retail environments. Its compact size makes it one of the smallest on the market today - perfect for space-constrained locations.

Product number: FK224AA

HP POS Pole Display

HP POS Pole Display is a multi-size adjustable pole display that provides your customers clear, easy-to-read information at the fastest data-transfer rate available.

Product number: FK225AA

HP USB PS2 Washable Keyboard

The HP USB PS2 Washable Keyboard is well-suited for environments that require keyboards to be immersed and cleaned with the following solvents: soap, washing-up liquid, non-abrasive cleaners, general purpose cleaners, bleach, disinfectant.

Product number: VF097AA

5 years Next Business Day Onsite, HW Support

Receive 5 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.
