

HP Elite 7100 Desktop PC series

Get the job done quickly and efficiently with a PC tailored to your high performance needs.

Enhance your capabilities with the HP Elite 7100's premium mix of powerful performance, useful features and flexibility.

Windows®. Life without Walls™. HP recommends Windows 7.

Impressive, intelligent performance

Intel's latest-generation of processors and Intel® H57 Express Chipset represent the next step in faster, multi-core technology that intelligently maximizes performance to match your workload. Intel® Core™ i7, Core™ i5 and Core™ i3 processors are built on advanced technology that helps automatically apply processing power where it's needed most for enhanced multitasking.

Storage and expansion flexibility

Flexible configurations are available to suit your specific business needs. The power is yours: choose up to 16 GB of memory, hard drives up to 1 TB, a variety of optical drives and a range of ports, slots and bays to make the most of your new PC.

Build your potential with pre-qualified options like the 22-in-1 Media Card Reader, a second hard drive to use the RAID data mirroring capabilities, a SuperMulti LightScribe DVD Writer Drive so you can burn labels directly onto LightScribe disks.

Built to protect

Help protect your network with Mozilla Firefox for HP Virtual Solutions, a preloaded virtual browser designed to help shield your PC from malicious web content. Credential Manager for HP ProtectTools is a single sign-on functionality that serves as a password vault to automatically store and protect passwords for websites, networks and applications. Device Access Manager for HP ProtectTools controls ports, readable drives and removable storage devices on your system in order to prevent unauthorized users from transferring or

removing your data. Help protect your PC from physical damage or theft with security options like the HP Chassis Lock or the HP/Kensington MicroSaver Security Cable Lock.

Built to last

With innovative engineering and more than 130,000 hours of testing, you know you're getting a reliable and durable desktop that can go the distance.

Plus, the HP Elite 7100 offers service and support options, so you can spend your time focusing on what's most important—your business.

THE
COMPUTER
IS PERSONAL
AGAIN.
