

HP PVC-free Wall Paper

HP PVC-free Wall Paper produces impressive wall murals that boldly define interior spaces. This easy to use, odourless, strippable wall paper is FSC®¹ and GREENGUARD Children & Schools®² certified and comes with an HP warranty³.

Ideal for mid- to large-size print service providers looking to expand applications with an odourless alternative to PVC for wall murals and creative designs.

Differentiate with environmental certifications

- Offer bold, odourless wall decorations, murals and more - provide reassurance with environmental certifications and responsible sourcing
- Help your customers earn recognition for environmental performance
- Produce high-quality, consistent results with this versatile paper
- HP PVC-free Wall Paper is compatible with HP Latex and UV-curable inks, and designed together with the printer to provide reliable, trouble-free printing.

Easy to print, install and remove

- Maintain high productivity in your printshop and offer your customers an easy-to-use solution
- This wall paper goes up and comes down with water
- HP PVC-free Wall Paper delivers accurate print registration and uniform expansion during application and is designed for properly aligned graphics, every time
- Take confidence that wall murals produced with HP PVC-free Wall Paper will hold up under typical interior display conditions
- The dimensional stability of this wall paper is up to the task.

Help your customers boldly define interior spaces

- Help your customers define interiors with long-lasting, creative wall murals
- HP PVC-free Wall Paper is the competitive digital solution from HP designed for emerging wall mural applications
- Work with bold colour, high-definition detail and the ultra-smooth finish of this paper to produce wall murals that perform impressively, even with close viewing.
