

## HP LD4200 106,7 cm (42") Widescreen LCD

### Digital Signage Display

HP's 106,7 cm (42") diagonal LCD digital signage display is part of a seamless HP solution.

The HP LD4200 106,7 cm (42") widescreen LCD digital signage display delivers crisp, clear, expansive high-resolution for businesses, hospitality, schools, and public spaces to exhibit large graphics, text, video or professional advertisements digitally on one or multiple widescreen LCD Digital Signage displays.

#### Striking signage with high performance

Its bright 500-cd/m<sup>2</sup> screen, 1000:1 contrast ratio (3000:1 dynamic contrast ratio), and 1920 x 1080 native resolution offer a stunning vision in both bright and dimly lighting. The ultra-wide 178 x 178 degree viewing angle allows you to see the screen from almost anywhere in the room.

#### Captivating design for any business

The sleek black exterior is built to fit in trendy indoor environments such as:

- Point of Sale (POS) displays at retail stores and shopping malls
- Airport, railway and bus terminals
- Restaurants, cinemas and stadiums
- Universities, stock exchanges, control rooms and more

This 106,7 cm (42") display can be set in a horizontal or vertical position and have dynamic messaging or graphics updated on demand or delivered to multiple displays from one single source.

#### End-to-end HP hardware solution

HP can help you easily manage and get the most out of your display(s) with:

- VESA mounting features to hang the display on a wall or a stand to set on a countertop (sold separately)
- An HP PC, Workstation or Thin Client to store data and control updates (optional to bundle)
- Audio and video delivery through a combination of transmitters, splitters and remote receivers
- Optional speakers for audio
- Maximum connectivity for a wide array of inputs. (For additional security, HDMI offers HDCP)

#### Worry-free longevity and reliability

Unlike large TV screens, the HP LD4200 digital signage display is built to run 24/7 while maintaining longevity. It is fully tested and qualified for out-of-the-box functionality and compatibility with HP business products, plus it includes a three-year limited warranty backed by HP service and support from 65,000 IT professionals worldwide.

THE  
COMPUTER  
IS PERSONAL  
AGAIN.
