

**HP Universal Instant-dry Semi-gloss Photo Paper with an improved finish achieves deeper blacks, more vivid colours and better gloss uniformity. With instant-dry prints, move right on to lamination without delay. Count on great, long-lasting prints.**

**Graphic art/photography professionals and print service providers seeking excellent image quality and the productivity benefits of instant-dry prints.**

See even better image quality over the previous version – from deeper blacks to more vivid colours.

Save time and money with instant-dry prints – handle and laminate immediately, right off the printer.

Notice deeper blacks and more vivid colours over the previous version with Original HP inks.

# HP Universal Instant-dry Semi-gloss Photo Paper

## Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on [www.hp.com/go/designjet/supplies](http://www.hp.com/go/designjet/supplies)

For the latest ICC/media profiles, please visit [www.hp.com/go/designjet/supplies](http://www.hp.com/go/designjet/supplies) (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.
