## Accessories and services (not included)

### HP Wireless 802.11 b/g/n PCIe Card

By removing the need for network cabling, you can dramatically increase flexibility when changing workspace layouts within wireless-enabled office environments or when adding users onto existing networks with the HP Wireless 802.11 b/g/n PCIe Card.

**Product number: FH971AA**

### HP Thin USB Powered Speakers

The HP Thin USB Powered Speakers produce a rich high quality sound that provides an excellent stereo speaker solution for business users.

**Product number: KK912AA**

### HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

**Product number: BV411AA**

### HP Virtual Rooms (up to 5 people in one meeting) License

Connect from anywhere with Internet access to host team meetings, customer briefings, and training events in one convenient online location.

**Product number: WF722A**

### 3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

**Product number: U6578E**
