

HP Premium Instant-dry Gloss Photo Paper achieves deeper blacks and more vivid colours on a noticeably whiter sheet. Count on durable, long-lasting prints and great results with both Original HP dye- and pigment-based inks.

Graphic art/photography professionals and Print Service Providers seeking unrivaled image quality and the productivity benefits of instant-dry prints.

Make an even bigger impression. Improved HP Premium Instant-dry Gloss Photo Paper delivers unrivaled image quality for brilliant photos and high-impact display graphics – from posters and presentations to retail graphics.

Save time and money with instant-dry prints that are ready for immediate handling and lamination, right off the printer.

Take assurance when you use HP Premium Instant-dry Gloss Photo Paper, designed together with Original HP Vivera pigment inks. Water-resistant prints achieve over 200 years indoor display permanence, away from direct sunlight.¹

¹ Compared to the previous version. Display permanence rating for interior displays/away from direct sunlight, under glass by HP Image Permanence Lab. Water resistance ratings tested by HP Image Permanence Lab on a range of HP media. For more information, see <http://www.hp.com/go/supplies/printpermanence>.

HP Premium Instant-dry Gloss Photo Paper

Compatibility
