

Hardware Support for Travelers

Participating country/geographic location list

Hardware Support for Travelers provides mobile computer users with a hardware support solution for their new HP portable product.

This service is available for select HP branded products and includes local language remote problem diagnosis and, as locally available, a next-business-day onsite response time in the Tier 1 participating countries/geographic locations listed below.

Support is provided during the local countries/geographic locations standard office hours and days.

Please refer to the service data sheet for the detailed service description.

To contact the local HP Solution Centers for technical support, please visit welcome.hp.com/country/us/en/wwcontact_us

Travel zones

All hardware onsite response times apply only to sites located within 100 miles (160 km) of an HP designated support hub. Travel to sites located within 200 miles (320 km) of an HP designated support hub is provided at no additional charge. If the site is located more than 200 miles (320 km) from the HP designated support hub, there will be an additional travel charge.

Travel zones and charges, if applicable, may vary in some geographic locations. Response times to sites located more than 100 miles (160 km) from an HP designated support hub will have modified response times for extended travel, as shown in the table below.

Distance from HP designated support hub	Onsite response time
0–100 miles (0–160 km)	Next business day*
101–200 miles (161–320 km)	1 additional business day*
201–300 miles (321–480 km)	2 additional business days*
Beyond 300 miles (480 km)	Established at time of order and subject to resource availability

* Travel zone definitions and corresponding response times vary in participating countries/geographic locations. Contact the local sales office for details on travel zones and modified response times.
