Support Services for in warranty agreements and service plans purchased within the first year of product ownership will apply for the remainder of the first year of HW ownership and for the additional year(s) as purchased by Customer. The in warranty agreement and service plan will terminate either at the end of the specified number of years of service purchased; or for service plans for HP printers with page limits, terminate once the specified page limit (or page count) has been exceeded or at the end of the specified number of years of service purchased, whichever comes first. Page count is defined as the number of pages (printed or plain) that have passed through a printers print engine and recorded on the test page.

The Support Services under this Agreement will continue until the Agreement expires or until terminated by either party under the provisions of this Agreement. This Agreement is not renewable; Customer may for some eligible products, purchase another Agreement upon expiration or termination of this Agreement. The cost of another Agreement will reflect the age of the product and service costs at time of purchase.

16. Termination: Customer may terminate this Agreement by notifying HP in writing at Hewlett-Packard Company within 30 days of purchase, to receive a full refund, less the purchase cost of any claims. After 30 days, the Customer may terminate the Agreement, by submitting a cancellation in writing to the above address. The Customer will receive a pro rata refund based on the time expired less the cost of any claims. HP may terminate at any time after the effective date of this Agreement if Customer fails to perform or observe any condition of this Agreement with HP. If HP cancels, Customer will receive a pro rata refund based on the time expired under the Agreement.

17. Governing laws: Any disputes arising in connection with this Agreement will be governed by the laws of the State of California. The courts of the State of California shall have jurisdiction.

18. Entire agreement: The terms and conditions of this Agreement (together with the Service Plan Description) constitute the entire understanding between HP and the Customer relating to the provision of Support Services described herein and will supersede any previous communication, representation or agreement whether oral or written. Customer's additional or different terms and conditions will not apply. Customer's acceptance of this Agreement is deemed to occur upon Customer's purchase of Support Services. No change of any of the terms and conditions will be valid unless in writing signed by authorized personnel of each party.

19. State-specific terms and conditions: The terms provided below are specific to Support Services purchased in certain states within the United States.
