

Enjoy high performance faxing and copying plus all the reliability of HP inkjet technology with this plain paper colour fax – complete with built-in extension phone. Make use of advanced features including 20-sheet ADF and 300 page memory<sup>1</sup>.

**The HP 3180 Fax is designed for home office and small business users who want a fast, plain paper fax/copier offering HP inkjet colour quality and reliability, a host of professional fax features and the convenience of a built-in handset.**

**Get high performance colour faxing and copying with proven HP inkjet technology.**

Enjoy speed and reliability with this high performance HP colour inkjet fax. Send and receive faxes in colour or black-and-white at 33.6 kbps for speeds as fast as 3 seconds per page<sup>2</sup>. Make crisp sharp copies of documents, letters, photos and more at the touch of a button with speeds of up to 20 ppm black, 14 ppm colour. Reduce and enlarge from 25%-400% using intuitive controls and get impressive results with 600 x 1200 dpi resolution.

**Make life easier with 200 speed dials, 20-sheet ADF, built-in phone and more.**

Make the most of your working day with a range of efficient tools and features. Leave multi-page documents to fax or copy automatically with the 20-sheet Automatic Document Feeder. Save time sending faxes to key contacts by programming in up to 20 one-touch dials and 200 speed dial numbers. Save desk space with a small footprint and compact, stylish design – make or take calls using the built-in extension phone.

**Manage all your fax communications with a range of professional tools.**

Get a full set of professional tools to help you manage your fax communications. Make sure you never miss a message – input tray holds up to 100 sheets of paper and huge 300 page fax memory<sup>2</sup> stores messages if ink or paper does run out unexpectedly. Fax to up to 48 locations at once with broadcast feature or send at a predetermined time with delayed sending. Use the easy controls to access a range of useful management reporting tools.

<sup>1</sup> Based on ITU-T Test Image #1 at standard resolution  
More complicated pages or higher resolution will use more memory.

<sup>2</sup> Based on ITU-T Test Image #1 at standard resolution  
More complicated pages or higher resolution will take longer and use more memory.
