

HP Photosmart A532 Compact Photo Printer

Get lab-quality photos up to 13 x 18 cm in just a few simple steps – with or without a PC. Pop in your memory card¹, view and select your photos and print – it's that easy. You can even remove red-eye and add creative effects for fun sharing.

The HP Photosmart A532 Compact Photo Printer is designed for people of all ages who want a quick, fun and easy way to select, personalise and print lab-quality photos up to 13 x 18 cm, either with or without a PC.

Print photos – with or without borders – in a range of sizes up to 13 x 18 cm.

Enjoy the versatility of being able to print your photos in a range of sizes including 9 x 13 cm, 10 x 15 cm and 13 x 18 cm. Get true borderless photos – no need to trim or cut off tabs. Print 10 x 15 cm photos in as fast as 27 seconds. Share the fun and take this easy-to-carry printer with you using the built-in carry handle – print at a friend's house, at a party or even on holiday. Reduce your energy costs and help to protect the environment with this Energy Star qualified printer.

Easy to set up and easy to use – print with or without your computer.

See how easy it is to print beautiful photos with or without your PC. Print directly from your camera's memory card² – just pop it in the slot and choose your photos via the 6.1 cm display – or connect to your PC. Make sure you get the photos you expected with automatic red-eye removal. Why not try having some fun with your photos by adding creative effects in just a few simple steps? There's no need to worry about installing software either – HP Quick Connect does it all for you.

Print instant-drying, lab-quality photos that you can handle straight from the printer.

Print instant-drying, water-resistant photos that you can pass around straight from the printer without smudging or smearing when you print with HP Vivera inks on HP Advanced Photo Paper. Impress friends and family by printing and sharing lab-quality photos that you can share and enjoy right there and then, moments after you've captured them. Print photos that will resist fading for generations³ too with HP Advanced Photo Paper, perfect for framing and photo albums.

¹ Memory card slots support Secure Digital/Multimedia Card, Memory Stick®, Memory Stick Duo® and xD-Picture Card. Does not support Compact Flash™.

² Memory card slots support Secure Digital/Multimedia Card, Memory Stick®, Memory Stick Duo® and xD-Picture Card; does not support Compact Flash™
