

HP Compaq 8100 Elite Desktop PC series

Designed with the latest technology to enhance your enterprise PC experience

Take enterprise computing to the next level with HP's premier business product line, the HP Compaq 8100 Elite Series.

Windows®. Life without Walls™. HP recommends Windows 7.

Impressive, Intelligent Performance

The HP Compaq 8100 Elite incorporates Intel's newest PC architecture, code-named Nehalem. The Intel® Q57 Express chipset and Core™ processors represent the next step in faster, multi-core technology that intelligently maximizes performance to match your workload. The new Intel® Core™ i7, Intel® Core™ i5 and Intel® Core™ i3 processors are built on advanced technology that helps automatically apply processing power where it's needed most for enhanced multitasking and energy efficiency.

Maximum Manageability

Maximize productivity in your managed IT environment using Intel® Core™ Processors with vPro™ Technology. This advanced set of IT management features and capabilities include out-of-band management, making remote PC support possible without a working operating system environment.

Stability and Dependability

Depend on 15-month minimum purchase lifecycles, image stability and client management solutions to fit every enterprise. Proactive HP Product Change Notifications are available so you can be alerted to any system or image changes up to 60 days in advance, to minimize surprises or downtime.

Built for Efficiency

Lower your operating costs with energy efficient features and improved power saving technology such as new processors, 89% energy efficient power supplies and power management solutions supporting lower energy usage and costs.

Built to Protect

HP ProtectTools™ Security Software Suite comes standard, helping you safely secure your hardware, software, firmware and OS. An embedded Trusted Platform Module (TPM) 1.2 compliant security chip provides hardware-based encryption capabilities to help enhance data protection.

With HP's innovative PC design, Intel's newest business PC architecture and a choice of two versatile form factors, the HP Compaq 8100 Elite Series is the right choice today.

THE
COMPUTER
IS PERSONAL
AGAIN.

This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details. Windows 7 Professional disk may be included for future upgrade if desired. To qualify for this downgrade an end user must be a business (including governmental or educational institutions) and is expected to order annually at least 25 customer systems with the same custom image.

Accessories and Services

HP USB PS2 Washable Keyboard

The HP USB PS2 Washable Keyboard is well-suited for environments that require keyboards to be immersed and cleaned with the following solvents: soap, washing-up liquid, non-abrasive cleaners, general purpose cleaners, bleach, disinfectant.

Product number: VF097AA

HP 2-GB PC3-10600 (DDR3-1333 MHz) DIMM

Maximize your Business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor.

Product number: AT024AA

ATI Radeon HD 4550 (512 MB) DH PCIe x16 Graphics Card

The ATI Radeon HD 4550 DH PCIe x16 Graphics Cards provide a low profile, PCI Express x16 graphics add-in card solution based on the ATI RV710 Graphics Processor. These cards support Dual Display video output through its DMS-59 and TV-Out connectors.

Product number: SG764AA

HP 1-TB SATA (NCQ/Smart IV) 3.0-Gb/s Hard Drive

HP Serial ATA Hard Drives maximize the performance of HP Business PCs by providing the technologies to meet your increasing storage demands with high-capacity drives offering superior reliability and performance.

Product number: VU353AA

HP Business PC Security Lock

This handy device ensures your desktop PC remains exactly where it is by locking the chassis cover and securing it to an anchor point. The steel loop cable is also designed to prevent unauthorised removal of keyboard, monitor and all peripherals.

Product number: PV606AA

3 years Next Business Day Onsite with Defective Media Retention, excl. External Monitor, HW Support

Retain your defective media for disposal in a way that meets your security standards, and receive high quality onsite and remote support from HP.

Product number: UE332E
