

HP Scanjet 5000 Sheet-feed Scanner

Manage all your office scanning processes with this fast, easy-to-use business scanner. Automatically capture stacks of single or double-sided documents and streamline common tasks such as saving, filing and organising scanned images.

The HP Scanjet 5000 Document Sheet-feed Scanner is designed for SMB customers who need fast automated duplex scanning plus the flexibility to handle smaller items such as ID cards, receipts, cheques and business cards.

Fast document scanning for your everyday needs.

Boost office productivity with this easy to use document scanner. Get fast simplex or duplex scanning with speeds of up to 25 ppm/50 ipm¹ in black-and-white, greyscale or colour, plus crisp, sharp results at 600-dpi resolution. Load up to 50-sheets into the automatic document feeder and leave to scan. Capture data from business cards, plastic ID cards and other small originals too. Handle high volumes with a 1,500-page daily duty cycle.

Streamline everyday scanning tasks using programmable, easy-to-access scan profiles.

Maximise efficiency by streamlining common tasks using HP Smart Document Scan Software. Create customised scan profiles and access them via the scanner's two-line LCD control panel. Save files in a range of formats including PDF-A, PDF, Microsoft Word, TIFF and JPEG, and send directly to email, folder or application. Preview and edit scanned images via a thumbnail window before saving them. Split stacks of scanned documents into individual files.

Get started with document management today.

Turn piles of paper into digital documents and manage them with included ScanSoft® PaperPort®². Convert scans into editable text with included I.R.I.S. Readiris™ Pro OCR software – extract data from your paper documents for further processing. Convert business cards into a digital database and synchronize contact data with Outlook or your PDA using Newsoft Presto! BizCard. Get instant compatibility with document management systems using ISIS®, TWAIN and WIA drivers.

¹ Speeds attained at 200 dpi black and white, colour and greyscale using Smart Document Scan Software, A4 paper

² ScanSoft® PaperPort® is compatible with Windows 2000, XP and Vista
