

HP PVC-free Wall Paper

HP PVC-free Wall Paper produces impressive wall murals that boldly define interior spaces. This odour- and PVC-free wall paper is easy to install, tears off easily and comes with an HP warranty for clean removal.

Mid- to large-size print service providers looking to expand applications with an odour-free alternative to PVC for wall murals and creative designs.

Differentiate with PVC-free wall murals

- Offer your customers much more than just the printed application
- Help your customers cover their walls with bold, colourful murals full of high-definition detail produced on HP PVC-free Wall Paper
- There's no distracting odour and PVC-free prints are easier to dispose of than most vinyl, offering an excellent alternative for environmentally conscious customers.

Help your customers boldly define interior spaces

- Help your customers define interiors with long-lasting, colourful, detailed, creative wall murals
- HP PVC-free Wall Paper is the competitive digital solution from HP designed for emerging wall mural applications
- This media can be applied as easily as regular wall paper and it meets commercial wall covering standards.

Maintain high productivity from print to removal

- This easy-to-install wall paper comes pre-pasted and with an HP warranty that covers clean removal
- HP PVC-free Wall Paper is designed with the printer and HP inks to deliver the easy, trouble-free performance you expect from HP
- Enjoy quick, easy installation with this pre-pasted wall paper.
