

HP 4320t Mobile Thin Client

Go Mobile. Go Thin.

Check out this highly secure, mobile thin client with a 33,7 cm (13.3") diagonal display and software that keeps you productive.

HP recommends Windows® 7.

Enhance security

By storing files on your secure, centralized server, your data is protected in the event the mobile thin client is lost or stolen.

Go the distance

The HP 4320t provides higher reliability with its new brushed aluminum metal design while extending product life with fewer moving parts.

Simplify IT operations

IT managers can upgrade users quickly and inexpensively by updating application software hosted on servers, not clients. This helps to minimize the workload for IT staff so your technical support costs can be greatly reduced. Choose from several included manageability solutions based on your business needs, such as HP ThinState Tools, HP Device Manager and HP Client Automation – Starter Edition.

Software solutions for your business

The HP 4320t Mobile Thin Client, featuring Microsoft Windows Embedded Standard, includes software technologies that are pre-installed, delivering greater flexibility to IT staff and mobile professionals. The Enhanced Write Filter (EWF) helps prevent undesired writes to solid state modules such as application installations and downloads. Alternatively, the File Based Write Filter (FBWF) allows IT professionals to designate specific folders and files (including the Windows registry) to retain information such as wireless network settings, printer configuration, and virus definition files. Additionally, HP Virtual Client Essentials includes a full line of multimedia and brokering solutions designed specifically to deliver the simple and reliable computing experience you expect from HP.

SPECIFICATIONS

Operating system	Preinstalled	Supported

Accessories and Services

HP 2.0 USB Docking Station

Skip the hassle of plugging and unplugging your monitor and peripherals every time you take your HP notebook PC with you.

Product number: AY052AA

HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveler. Made from durable nylon, the case offers a large toplead compartment with plenty of room to organize materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 16.1 inch (40.89 cm) and also includes a neoprene pouch for a mini or thin-and-light notebook up to 12.1 inch (30.73 cm). Convenient outer pockets provide quick access to frequently used items, and can be closed with zippers and Velcro. Padding added to the handles and shoulder strap provide comfort as it is carried. Best of all, attach the HP Nylon Carrying Case to a rolling cart or suit case. A unique pass-through strap helps keep the case attached to the handle of a rolling cart or suit case, to avoid being lost or stolen.

Product number: BP848AA

HP PH06 Notebook Battery

Stay connected and be productive wherever your work takes you with up to 6 hours of battery life in HP Compaq Business Notebooks and Tablet PCs. No need to sacrifice performance, productivity or convenience.

Product number: BQ350AA

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

HP Notebook Combo Lock

Secure your notebook and docking station with the HP Compaq Notebook Combo Lock.

Product number: AY475AA

3 years Next Business Day Onsite with Accidental Damage Protection, HW Support

Enjoy 3 years of total peace of mind in case an unexpected incident damages your Notebook and get supported onsite when needed.
