

HP Pro 3130 Minitower PC

Performance meets expandability

Designed to meet your needs today and grow with you tomorrow. Built-in flexibility and out-of-the box productivity will take your business into the future.

Windows®. Life without Walls™. HP recommends Windows 7.

Flexibility built in

Add a valuable asset to your small business with the HP Pro 3130 Minitower Business PC. Powerful enough to handle your everyday multitasking needs with enough flexibility built-in to allow your PC to grow with you in the future. Get out-of-the-box productivity and flexibility in a modern look and feel today.

Impressive, intelligent performance

Intel's latest-generation of processors and Intel® H57 Express Chipset represent the next step in faster, multi-core technology that intelligently maximizes performance to match your workload. Intel® Core™ i7, Core™ i5, and Core™ i3 processors are built on advanced technology that helps automatically apply processing power where it's needed most for enhanced multitasking.

Growth comes standard

Your business needs evolve as your small business grows. You don't know exactly what you will need in future. With that in mind, the highly expandable HP Pro 3130 Minitower is designed to evolve with you. Available ports, slots, and bays allow you to configure your PC to meet your needs today, and then expand your capabilities when the time is right.

Out-of-the-box productivity

This PC is ready to go when you are with the latest Intel® processors and chipset, a genuine Windows® 7* operating system, dual monitor support¹, a variety of optical drives, a hard drive up to 750 GB, up to 16 GB DDR3 SDRAM memory, and RAID support. And, with preinstalled software like HP ProtectTools Suite, HP Power Assistant, and Norton Internet Security 2011 you get a PC equipped to make an impact right out of the box.; Build your potential with pre-qualified options like the 22-in-1 Media Card Reader, a second hard drive to utilize the RAID data mirroring capabilities, a SuperMulti LightScribe DVD Writer Drive so you can burn labels directly onto LightScribe disks.

Give your business a boost

Take transfer speeds with compatible devices to a new level with an optional USB 3.0 SuperSpeed PCIe x1 card. Enhance your visual experience via graphics cards with DirectX® 2 11 support.; Plus, the HP Pro 3130 Series offers service and support options so you can spend your time focusing on what's most important—your business.

HP Pro 3130 Minitower PC

Accessories and Services

HP USB PS2 Washable Keyboard

The HP USB PS2 Washable Keyboard is well-suited for environments that require keyboards to be immersed and cleaned with the following solvents: soap, washing-up liquid, non-abrasive cleaners, general purpose cleaners, bleach, disinfectant, antibacterial cleaners and surgical spirit. The HP USB PS2 Washable Keyboard provides protection against ingress of water and dust to code IP66 defined in IEC (International Electro Technical Commission) standard 60529-1 and code 4X as defined in NEMA (National Electrical Manufacturers Association) standard 250. The code IP66 defined in the IEC standard 60529 means the keyboard is protected against the ingress of dust, and that high pressure water jets from any direction will not have any harmful effects. A NEMA 4X enclosure as defined in NEMA standard 250 will provide protection against windblown dust, rain, splashing water and hose directed water. For additional information on regulatory standards consult your legal department.

Product number: VF097AA

ATI Radeon HD 4550 (512 MB) DH PCIe x16 Graphics Card

The ATI Radeon HD 4550 DH PCIe x16 Graphics Card provides a Low Profile, PCI Express x16 graphics add-in card based on the ATI RV710 Graphics Processor. Compatible with Small Form Factor and Microtower models only.
