

HP Compaq LA2006x 50,8 cm (20") LED Backlit LCD Monitor

The new evolution of displays has arrived

Introducing a slim, modern LED backlit monitor that helps improve recyclability and durability, while a slider stand helps enhance comfort adjustability.

Forward-looking design

The HP Compaq LA2006x possesses a modern design that is sure to impress. The sculpted, soft black, slender form almost vanishes into the background so you can focus on the vibrant images displayed on the widescreen LED backlit panel. But before you turn the monitor on, you'll want to take note of the other components of this monitor, which include:

- A slider stand with an extensive 130mm height range adjusts high and low to reach many different users
- 35° of tilt adjustability helps provide clear views at many different angles
- 90° pivot rotation makes longer text easy to read with less scrolling
- Swivel makes sharing your screen with others as simple as a quick turn of the head
- VGA, DVI-D, and DisplayPort inputs provide a wide range of advanced connectivity options
- A built-in two port USB hub puts flash stick data close at hand
- A Cable management clip keeps unruly lines in place
- VESA compatibility provides a wide range of mounting solutions

Forward-thinking technology

When you power on the LA2006x, you'll see that the panel is a LED backlit panel - but why LED? First, because LEDs don't contain mercury, the cause for concern over the use of the element is eliminated. So when it's time to replace your monitor, you can feel good about your recycling efforts. Next, because they are small, solid state components, a monitor can be thin, light and more robust than previous CCFL monitors. Finally, as LED technology becomes more mainstream, CCFLs will simply be left in the dark.

HP strives to make a positive impact on business. Because of this, the LA2006x is EPEAT® Gold registered ¹, ENERGY STAR® qualified, and TCO Displays certified. Additional features include:

- A 1M:1 DCR, a 170° wide viewing angle, and fast 5ms response times for precise views ²
- Display Assistant for custom picture quality, theft deterrence, and energy savings enablement

THE
COMPUTER
IS PERSONAL
AGAIN.

HP Compaq LA2006x 50,8 cm (20") LED Backlit LCD Monitor

SPECIFICATIONS

Viewing angle	170° horizontal; 160° vertical
Brightness	250 cd/m ²

HP Compaq LA2006x 50,8 cm (20") LED Backlit LCD Monitor

Accessories and Services

HP Quick Release

A secure and easy-to-use mounting solution for your VESA-compliant HP thin clients, compatible HP flat panel monitors and other HP desktop products. Attach to any a compatible stand, bracket or wall mount and make the most of your workspace.

Product number: EM870AA

HP LCD Speaker Bar

Attach seamlessly to the front bezel of your monitor to add full multimedia support features, including stereo speakers with full sound range and an external jack for headphones.

Product number: NQ576AA

HP USB Graphics Adapter

HP offers a variety of optional products (each sold separately) designed to complement our monitors and enhance the overall computing experience. The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays to help you boost productivity and multi-task across several open applications. Use one Adapter to bridge between a notebook or desktop PC and second monitor or use multiple Adapters to connect several displays to each other.

Product number: NL571AA

HP Integrated Work Center Stand

Easily attach a 17-, 19-, or 22-inch HP LCD monitor and an HP Compaq dc7800 Ultra-slim Desktop PC or HP Thin Client on a single stand for the convenience of an "all-in-one" form factor [1] for the exact desktop configuration you need. IWC stand GN783AA and GN783AT now includes the 8000 series rear panel cover, so it does not need to be ordered separately on top.

Product number: GN783AA

HP DisplayPort Cable Kit

Connects a DisplayPort connector on an HP Business Desktop computer to a DisplayPort connector on a monitor.

Product number: VN567AA

HP Next Business Day Onsite Response HW Support

Receive 5 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.

Product number: U7937E

³ Units sold separately.
