

HP Pro 3135 Microtower PC

Performance meets expandability.

Highly expandable PC designed to be flexible enough to meet your needs today and grow with you tomorrow, featuring AMD technology.

Windows®. Life without Walls™. HP recommends Windows 7.

Performance meets expandability

Add a valuable asset to your small business with the HP Pro 3135 Microtower Business PC. Powerful enough to handle your everyday small business needs with enough flexibility built-in to allow your PC to grow with you in the future. Get out-of-the-box productivity and flexibility in a modern look and feel, today.

Growth comes standard

Your business needs evolve as your small business grows. You may not know exactly what you'll need in future. With that in mind, the highly expandable HP Pro 3135 Microtower is designed to evolve with you. Available ports, slots, and bays allow you to configure your PC to meet your needs today, and then expand your capabilities when the time is right.; Two monitors help you work more efficiently and productively. With the increased viewing area, you can see and work on more documents and applications at the same time.

Out-of-the-box productivity

This PC is ready to go when you are with advanced AMD processors and chipset, a genuine Windows® 7 operating system, dual monitor support. You'll get a variety of optical drives to choose from, available hard drives up to 750GB, and up to 16GB DDR3 SDRAM memory. And, with preinstalled software like HP Power Assistant, and Norton Internet Security you get a PC equipped to make an impact right out of the box.; Build your potential with pre-qualified options like the 22-in-1 Media Card Reader or SuperMulti

LightScribe DVD Writer Drive so you can burn labels directly onto LightScribe disks.

Give your business a boost

AMD VISION Pro technology is an advanced visual platform that's optimized for Windows® 7, designed to provide enhanced visual clarity, vibrant colors, and support for seamless multi-monitor functionality. Enhance your visual experience via graphics cards with DirectX® 11 support.

Built to last

With innovative engineering and testing at our core, we're driving innovation in the industry trends that represent the biggest challenges and opportunities we and our customers face. So you know you're getting a reliable and durable desktop that can go the distance. Plus, the HP Pro 3135 offers service and support options, so you can spend your time focusing on what's most important—your business.

THE
COMPUTER
IS PERSONAL
AGAIN.
