

# HP Compaq 4000 Pro Small Form Factor PC

Value driven for business

**A stable, reliable personal computer is an absolute necessity in every business environment, big and small. Required to perform every day, the HP Compaq 4000 Pro includes proven PC modules and components designed to rigorous business PC standards.**

HP recommends Windows® 7.

---

### **Thinking long term**

Designed with materials completely free of brominated flame retardants (BFRs) and polyvinyl chloride (PVC), we help support your environmental initiatives.

Including ENERGY STAR® qualified and EPEAT® Gold registered models, this value oriented business PC comes preinstalled with HP's exclusive Power Assistant application.

Configure your PC with industry-standard drives, including a Blu-ray Player or the Media Card Reader that can accommodate 22 different formats.

### **Classic business PC technology, plus legacy hardware support**

Includes your choice of Intel processors with integrated Graphics Media Accelerator 4500 for enhanced video and responsiveness.

Standard PS/2 keyboard and mouse ports plus an integrated serial port, with the option to add an optional second serial port and parallel port if necessary.

Includes a 1 year Standard Limited Warranty with onsite service to support your businesses needs.

### **Stable, thoughtful design**

For convenience, audio line in and line out ports plus USB ports have been designed for front access.

Integrated dual display support allows you to work more productively and affordably.

When your deployments are scheduled over a lengthy period of time it's good to know you'll be able to get the same chassis over multiple deployments. Plan for a minimum of 10 months availability for the HP Compaq 4000 Pro SFF.
