Sleek design. Attractive price.

Experience commercial-grade performance without sacrificing consumer design and take advantage of the low cost, yet sleek design of the HP CQ1859s 47 cm (18.5") Widescreen LCD Monitor with Easel Stand.

HP's Value Series Monitors provide high quality features at an affordable price to your budget conscious business.

See the difference

The HP CQ1859s 47 cm (18.5") Widescreen LCD Monitor with Easel Stand blends consumer design elements and commercial-grade components to help you enjoy the best of both worlds with features that include:

- A compact easel stand with 30 degrees of tilt to help create more desk space
- A Piano Black glossy bezel to help add a touch of class to your environment
- A new low power panel to assist with energy savings by reducing power consumption
- A 16:9 aspect ratio and 1366 x 768 native resolution to provide a broader viewing range of work or play
- Integrated front facing speakers to enable enhanced audio
- A 600:1 contrast ratio ¹ to supply just the right amount of contrast
- Fast 5ms response times¹ to minimize imagery blurring and ghosting
- 57% color gamut for a wide range of colors and shades

HP support from around the world

Know that your business needs are covered with HP. The HP CQ1859s comes with a one year limited warranty and is fully tested and backed by HP worldwide service and support. It is also compatible with HP business products for a total HP computing experience.
