

HP ProBook 4730s Notebook PC

Business Partner

Stylish performance. Watch, present, video conference ¹, and multitask on this durable, stylish notebook. This versatile and secure HP ProBook boasts a 43,9 cm (17.3") diagonal HD ² monitor to make an impression in and out of the office.

HP recommends Windows® 7.

Equipped to get the job done

Gain strong processor capabilities, wireless³ functionality and a 43,9 cm (17.3") diagonal HD² display.

Stylish design

The metallic gray color complements the vertically brushed aluminum finish. Your PC's good looks stand up to the commute between home and work with added aluminum casing.

Security beyond passwords

Secure access to your information, using HP Face Recognition or fingerprint-reading technology, and protect your notebook and the sensitive data it holds with HP ProtectTools⁴.

Easily stay productive

Use HP QuickWeb⁵ to access the internet, email, contacts and calendar fast at the touch of a button without long boot-up times.

Crystal clear collaboration

Reduce your communication costs and improve your productivity with HD webcam^{1,6} for video conferencing, dual array microphones and SRS Premium Sound for better sound quality

The best of both worlds

With Switchable Graphics, you can get high performance from discrete graphics or the long battery life of integrated graphics in the same notebook.

Accessories and Services

HP Basic Messenger Carrying Case

HP Basic Messenger Carrying Case is great for both students and business professionals. It offers practical features including padded shoulder straps for maximum carrying comfort and a padded protective area to help protect your notebook.

Product number: AP355AA

HP 2.0 USB Docking Station

Skip the hassle of plugging and unplugging your monitor and peripherals every time you take your HP notebook PC with you.

Product number: AY052AA

HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf. This stand can also accommodate notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.

Product number: AW662AA

HP USB Optical Travel Mouse

HP Input/Output devices provide additional desktop functionality for HP Business Notebooks. The HP Optical USB Travel mouse delivers the convenience, comfort, and elegance of optical mouse operation in a miniature size - an ideal solution while on the road.

Product number: RH304AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
