

## HP Pro 3305 Microtower PC

**Productive and stylish, inside and out, this sleek microtower features PC technology businesses require.**

Windows®. Life without Walls™. HP recommends Windows 7.

HP Pro 3305 Series Microtower Business PC is newly re-designed and powerful enough to handle all your workplace computing tasks with the flexibility to allow your PC to grow with you in the future. You get a full-function, great looking PC with a heritage of quality and reliability.

#### **Newly redesigned**

With its sleek, minimalist, industrial design this PC is sophistication personified. The HP Pro 3305 Series has a clean look that will stay current for years to come. The redesign wasn't just about looks, but includes configurability and convenience as well. You get a stylish and powerful workhorse ready to meet your needs now and grow with your business later. It boasts AMD Phenom II X2, X4 and X6 processors<sup>1</sup> for the latest in performance. Designed to fit typical business workspaces, the Microtower includes conveniently placed front USB 2.0 ports and audio ports. Standard video, network and additional USB ports are available on the rear.

#### **Newest technology**

You've got the latest technology to choose from and a flexible Microtower to support the configuration that best fits your business needs. Choose from a range of standard hard drive or optical drive options<sup>2</sup>. Standard DDR3 memory is energy efficient as well as expandable to help you save money and work efficiently.

You won't have to compromise when it comes to running your graphics intensive applications. Whether you're editing photos, creating multimedia presentations, or designing web content you'll see enhanced image clarity and detail with integrated ATI Radeon Graphics.

#### **Flexible out-of-the-box**

The HP Pro 3305 Microtower is ready to configure with extra memory slots, PCI Express (PCIe) slots, and 8.9/13.3 cm (3.5"/5.25") bays. Choose the genuine Windows® 7 operating system right for your environment. And, with preinstalled software like HP ProtectTools<sup>3</sup> for Small Business and Norton Antivirus<sup>4</sup> (trial offer) you get a PC equipped to make an impact right out of the box. Add peripherals such as an optional wireless keyboard, mouse without adding clutter<sup>2</sup>.

#### **More than what is in the box**

You get more than what's in the box with our business-focused innovations included in every HP Pro 3305 Series PC that help you increase productivity, mitigate risk, reduce your environmental footprint, and improve your overall computing experience. Plus, the HP Pro 3305 Series offers service and support options, so you can spend your time focusing on what's most important—your business.

<sup>1</sup> This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of the AMD 64 processor. Given the wide range of software applications available, performance of a system including a 64-bit operating system will vary. Dual/Quad/Triple Core is designed to improve performance of multithreaded software products and hardware-aware multitasking operating systems and may require appropriate operating system software for full benefit. Not all customers or software applications will necessarily benefit from use of this technology. This PC does not support the AMD over-clocking feature. AMD's numbering is not a measurement of clock speed.

<sup>2</sup> Sold separately or as an optional feature. Availability varies by region.

<sup>3</sup> HP ProtectTools requires Microsoft Windows.

<sup>4</sup> 60 day trial period. Internet access required to receive updates. First update included. Subscription required for updates thereafter. This software is licensed to you by the manufacturer under the terms of its end user license agreement.
