

HP Pre³ series

All work. All play. The all-new HP Pre³

Pre³ is designed for today's instantaneous, increasingly blended mix of work and life. Its thin exterior and gorgeous touchscreen conceal an email engine, slide-out keyboard, and robust battery that mean business^{1,2}. And it's all powered by HP webOS.

Thin and powerful

Pre³ features a large, vivid 480 x 800 WVGA display, vertical slide-out keyboard, and 1.4 GHz of processing prowess.

Business-class email

Get blazing-fast downloads of work and personal email over Wi-Fi or your mobile broadband network^{3,4,5}. Manage inboxes separately or all together. Work on multiple open emails simultaneously with the true multitasking webOS⁶. View full HTML email, and review PDFs and Microsoft® documents¹.

Your office is now mobile

Carry your information more safely thanks to data encryption, password protection, SSL, and more. Turn your phone into a Wi-Fi hotspot. Enjoy clear audio conversations on the go with built-in noise reduction. And connect hands-free with the convenience of voice dialing.

Incredible web and multimedia experience

Experience the full web on a vivid touchscreen that brings video and Adobe Flash content to life^{1,8}. Watch YouTube, capture HD video, and shoot great pictures with a 5MP camera with autofocus and LED flash⁹. Share over email or MMS, or upload to Facebook with a touch^{1,10}.

HP webOS

Use an intuitive smartphone that works the way you think. Experience the ease of true multitasking. Keep multiple apps open at once and easily switch back and forth between them without losing your place⁶. Just type to find or do almost anything on your phone. Connect your worlds with HP Synergy.

HP Synergy

See contacts, calendars, and email automatically synced from sources like Microsoft Exchange, Facebook, Yahoo!, LinkedIn, and Google in one view³. Looking to connect with a friend? Search Contacts. Want to confirm your dinner out? One calendar shows work and home appointments at a glance.
