THE **SUMMER**
CAMP CONNECTION

The Summer Camp Connection is a scholarship program for children in need throughout the world. It provides children the opportunity to experience the best childhood has to offer, if only for a few weeks at a time.

Your contribution is needed to help provide these children the opportunity to go to camp this summer. Based on your contribution, a child could go to camp anywhere from one to ten weeks.

THE DIFFERENCE YOU CAN MAKE

The Summer Camp Connection has partnered with aid and assistant agencies throughout the world to match needy and deserving children with summer camps.

Our programs offer recreational, educational and fitness experiences for children between the ages of 5 and 13 years of age.

For some children, the experience of summer camp is the first time these kids do not have to worry about meals, or going off to work.

HOW YOU CAN HELP

Just fill in the attached donation card—don't forget that your contribution is tax deductible.

Our organization is very proud of its accomplishments. Last year we served over 1,750 children at thirty-three different locations throughout the world.

There is a real need to help children participate in these summer camp programs. We want to be able to assist as many children as possible who may never have another opportunity to play, dance or shoot baskets in our open gyms.

OUR GOALS INCREASE EACH YEAR

Without your help, these kids would never get the chance to participate because their parents could never afford the fee. We desperately want to give these kids a chance to experience childhood, for even just a short time.

Our organization's goal is to raise enough money to provide financial assistance for as many children as possible, so they may experience all of the wonderful benefits summer camp has to offer. With last year's contributions, we were able to help 1750 children get into Summer Camp — this year our goal is to help more kids. Please fill out the donation card and return it to the **The Summer Camp Connection**.
