

HP COMPUTING LAB

Teacher-supervised collaborative science, language, and multimedia lab activities.

When you choose HP for your educational technology needs, you get:

- ✓ **A committed education partner**
- ✓ **Comprehensive technology**
- ✓ **Achievement-enabling solutions**

Give students a true multimedia lab for science, language, and digital media classes.

High school and university students have specific needs when it comes to their science, language, and digital media lab activities.

The HP Computing Lab provides the enhanced audio and video capabilities students need and an environment designed to facilitate interactive learning.

Reduce your energy consumption and costs while minimizing your environmental footprint with HP.
