

HP Slate 2 Tablet PC

The Right Business Touch

The HP Slate 2: The Right Business Touch. The HP Slate 2 Tablet PC is ideal for people with jobs that frequently take them away from a traditional desk, yet need to remain productive in a familiar Windows® environment. Optimized for Windows 7 Professional, the HP Slate 2 is also intended for those who use custom applications that must operate in a Windows® environment.

HP recommends Windows® 7.

Featuring Windows 7 Professional¹ and/or other operating systems

The familiar Windows® desktop look and feel keeps professionals productive while on the go. The HP Slate 2 combines an 22,6 cm (8.9") diagonal (226-mm) tablet with Intel processor capabilities and wireless functionality — from Wi-Fi CERTIFIED WLAN² to optional HP Mobile Broadband featuring 3G^{3,4}.

Enhanced Touch Capabilities

Work intuitively. Use your fingers to browse documents, spreadsheets, applications and more on the multi-touch display. Typing is made easier with the Swype onscreen keyboard.

Handwrite on Your Digital Tablet

Prefer a pen? Handwrite messages and notes using the tablet, HP Slate Digital Pen³ and Evernote software.

Smart design & function

With a starting weight of only 0.69 kg (1.5 lb), the HP Slate 2 offers a lightweight design and miniature size.

Polish the presentations you carry to all your meetings with the HP Slate 2. Show training or product videos and stream video from the web on the HP Slate 2.

Added Security

With a starting weight of only 0.69 kg, the HP Slate 2 offers a lightweight design and miniature size.

Polish the presentations you carry to all your meetings with the HP Slate 2. Show training or product videos and stream video from the web on the HP Slate 2⁴.

Music the way artists intended

Hear music and audio files like you were in front of the artist. Present multimedia presentations with crisp sound and vibrant tunes with SRS Premium Sound.
