

HP 12c 30th Anniversary Financial Calculator

The Industry Choice in Financial Calculators. The HP 12c Financial Calculator celebrates its 30th anniversary as a trusted tool for business and financial professionals. This robust business calculator delivers powerful processing in a collector's edition package.

30th anniversary, limited edition

Rely on the HP 12c Financial Calculator that professionals have depended on for 30 years.

Etched with a unique production number and wrapped in an elegant gift box, the 12c continues to impress professionals and collectors alike.

Familiar, trusted brand

The HP 12c 30th Anniversary Calculator offers users the signature horizontal layout of the original 12c, but with improved performance.

This HP classic is valued for its reliability, proven accuracy and long battery life.

Powerful processing

From loan payments to cash flows and more, the 12c Financial Calculator fuels complex financial calculations.

Tackle complex financial computations

The intuitive interface allows you to run calculations with RPN entry and 120 built-in functions. Who doesn't appreciate shortcuts and efficiency?

Save calculations in the memory-storage register to easily access figures without retyping

The calculator for business

The HP 12c is a mainstay for students and professionals in real estate, banking and finance. Trust the industry choice in financial calculators for loans, rates, amortization and more.
