

# HP 15c Scientific Calculator

HP's Popular 15c Scientific Calculator in a Limited Edition. The HP 15c Scientific Calculator combines intelligent design with advanced scientific calculations. Benefit from faster processing power, great shortcuts like RPN and an intuitive, horizontal interface.

## Intelligent design meets portability

The HP 15c scientific calculator presents an intuitive, horizontal interface, just like the original.

The compact size and light-weight metal frame of the HP 15c allow scientists and engineers to easily carry this powerful calculator from meeting to meeting.

## Powerful problem solver

Run calculations quickly. This HP scientific calculator touts up to 100x faster processing power than its predecessor<sup>1</sup>.

## Advanced scientific calculations

Gain a scientific calculator with programmable functions and built-in support for complex numbers, matrix math, numerical integration and root solving.

Store complex calculations directly in the memory for rapid retrieval. Reduce the number of keystrokes with RPN capabilities.

## HP classic available as limited edition

This HP classic features a unique production number and "limited edition" script, making it a great gift for collectors, scientists and engineers. Learn more about HP calculators.

# HP 15c Scientific Calculator

<b>Part number</b>	NW250AA
<b>Display</b>	1 line x 12 characters; 7-segment, single line
<b>Display type</b>	LCD
<b>Enclosure material</b>	Plastic
<b>Entry system logic</b>	RPN
<b>Menus/Prompts</b>	No
<b>Keyboard</b>	Numeric
<b>Best used for</b>	Engineering; Surveying; Science; General Math; Physics
<b>Math functions</b>	Trigonometric, exponential, basic statistics, complex number calculations, matrix operations, integration, keystroke programming
<b>Power supply</b>	2 CR2032 batteries
<b>Weight</b>	116 g (4.09 oz) with batteries
<b>Dimensions</b>	8.0 x 1.52 x 12.9 cm (3.1 x 0.6 x 5.1 in)
<b>Warranty</b>	May vary by country
<b>What's in the box</b>	Gift box, calculator, batteries, Owner's Handbook, protective sleeve, CD with virtual calculator

<sup>1</sup> Addition loop test, completed in HP labs. Up to 100X faster than original HP 15c.
