

# HP EasyCalc 100

This simple calculator is ideal for basic math and everyday calculations. Add, subtract, multiply, and divide, with big comfortable buttons. Just the keys for basic math functions, so it's easy to learn. It's small and easy to carry in a backpack - or your briefcase or purse. It's bright and attractive for classroom, home or office. Energy-wise solar power with a battery backup and it powers off automatically.

Add, subtract, multiply, and divide – just what you need

Percent, square root and memory functions for tougher calculations

Fits nicely in backpack, briefcase or purse

It's just the right size

Large 12-digit display

Solar power, battery backup, and automatic power off

HP's legendary heritage of accuracy and reliability
