

Help boost productivity and gain efficiency with mobile printing options and web-connected printing

HP LaserJet Pro 400 Printer M401 series

HP LaserJet Pro 400 MFP M425 series

Get wireless productivity and impressive mobile solutions—all in an efficiency-boosting, web-connected device.

Start printing right away

HP Smart Install makes it quick and simple to install the print drivers, without the hassle of a CD.¹ The drivers are stored in device memory—just plug the USB cable into your computer to start the installation process and begin printing in minutes!

Connect at the speed of business

Set up anywhere in the office and share device resources with integrated wireless connectivity.² **HP Auto Wireless Connect** makes Wi-Fi configurations a snap.³ Wired connections are simple, too, with **built-in Gigabit Ethernet**.⁴

Streamline workflows

Touch, access, store, and print your business information in seconds, using the **8.89 cm (3.5 in) color touchscreen** display and convenient **HP Business Apps**.⁵ Print from virtually anywhere with **HP ePrint**.⁶

Accelerate tasks with impressive print speeds

Keep your business moving forward with print speeds **up to 33 ppm A4** (35 ppm letter) and produce a first page in as fast as eight seconds.⁷

Produce professional-quality documents time after time

Count on consistent crisp text and sharp images with a robust duty cycle of up to 50,000 pages.⁸ Available high-capacity,

HP LaserJet Pro 400
Printer M401 series

HP LaserJet Pro 400
MFP M425 series

easy-to-install **Original HP LaserJet toner cartridges** minimize device interactions and help keep printing costs low.

Easily control your print environment

Help save IT time and costs through centralized printer management. Market-leading **HP Web Jetadmin** helps you monitor equipment and increase uptime. Make printing easy for every user with the **HP Universal Print Driver**.

Get outstanding multifunction performance

Enjoy fast, high-quality **printing, scanning, copying, and faxing** with the HP LaserJet Pro 400 MFP M425 series. Convert hard copies to digital files quickly and easily. You can even capture both sides of a two-sided document simultaneously. Plus, you can send your scan directly to email, a network folder, or a USB drive with the easy-access USB port.⁹

Help reduce your environmental impact

Save energy with **HP Auto-On/Auto-Off Technology**¹⁰ and get up to 50% paper savings with **automatic two-sided printing**.¹¹ Trust HP for free and convenient recycling.¹² The device's compact size reduces packaging and saves valuable space in your office.

Technical specifications at-a-glance

- Print speeds up to 33 ppm A4 (35 ppm letter), first page out as fast as 8 seconds⁷
- Up to 800-sheet input capacity with optional tray (300-sheets standard); 150-sheet output bin
- 8.89 cm (3.5 in) color touchscreen and business app access⁵
- Automatic two-sided printing¹¹
- 50-sheet ADF for fast copying and scanning (MFP M425 series)
- Easy-access USB⁹
- HP ePrint⁶
- Built-in Gigabit Ethernet⁴ and built-in wireless networking²
- HP Auto-On/Auto-Off Technology¹⁰

Stay productive on the go and in the office

Easy to set up, easy to use

Make your business run more smoothly with a laser device that is simple to set up and manage. HP Smart Install makes it easy to quickly start printing from a PC or netbook, without a CD—just plug in and install.¹

Improve office efficiency by connecting the device to multiple PCs for sharing, using built-in Ethernet.⁴ Get one-touch wireless setup to enable wireless printing and sharing for everyone in the office.^{2,3}

Print from virtually anywhere with HP ePrint⁶

There's no need to wait to print emails, photos, web content, and documents—HP ePrint mobile printing lets you print business documents from your smartphone or other mobile device when and where you need them. Send your print jobs to any ePrint-enabled HP printer or MFP—whether you're in the office, at home, or at customer or satellite offices—then simply collect the printed pages. For more information, please visit the HP ePrintCenter at www.hp.com/go/ePrintCenter.

Print from wireless-enabled smartphones and mobile devices—without a network—with HP's wireless direct printing.¹³ Your compatible wireless-enabled mobile device creates a simple direct wireless connection with the printer—similar to a Bluetooth® connection—and in minutes your document is printed.

Apple® AirPrint™ wireless printing makes it simple to print from your iPad®, iPhone®, and iPod touch® using its embedded print function.¹⁴ AirPrint automatically finds HP ePrint-enabled devices on local networks and prints wirelessly from select apps over Wi-Fi without the need to install drivers or download software.

Streamline workflows with web-connected printing and scanning

The intuitive color touchscreen—included on the M401dn and M401dw printers, and on the MFP M425 series—lets you quickly access HP Business Apps. From the touchscreen control

panel, you can archive or upload scans to the web (MFPs only), print online forms, and more—all without using a computer.⁵

Processes described below that require scanning are compatible with the MFP M425 series only. Others, such as printing customized business forms, can be used with any of the HP LaserJet Pro 400 series devices that include the color touchscreen.

- **Store documents and images on the web.** Use convenient apps to easily scan spreadsheets, newspapers, photos, and more to your Google Docs or Box.net account to be viewed, shared, or printed anytime, all without logging on to your computer. Simply scan a document or photo, use the HP Google Docs app or the HP Box.net app to browse to your account, select the destination, and your file is uploaded. When you need a hard copy, just print from your online account.
- **Print customized business forms.** Connect to professional-quality documents for most business needs. Use the HP Biztree app to scan and upload important business documents and forms directly from the device to the web. Or, you can create your own forms online, then download and print them.
- **Never lose important contact information again.** Scan multiple business cards at once and automatically save the information to your contact database, with the HP Shoeboxed business card app.
- **Store and manage your receipts.** Monitor your spending with the HP Shoeboxed expense tracker app. Scan several receipts at once and export data into accounting software or generate expense reports.
- **Print postage right from your desk.** Use the HP Stamps.com app to print postage right on your device.

For more information on HP Business Apps, please visit www.hp.com/go/ePrintCenter.

Help meet your environmental goals

HP's largest impact on the environment is through our products. Through intelligent product design, we can help our customers reduce their environmental impact:

- Conserve energy and help cut printing costs, using HP Auto-On/Auto-Off Technology—intelligence that can turn your printer on when you need it and off when you don't.¹⁰
- Reduce energy use with Instant-on Technology and Instant-on Copy.¹⁵ HP LaserJet products with Instant-on Technology use an innovative, quick-heating fuser system that warms rapidly and cools quickly.
- Reduce packaging waste with pre-installed print cartridges—fewer boxes and wrappers.
- Recycle your print cartridges—it's easy and free with the HP Planet Partners program. All Original HP print cartridges returned to HP through Planet Partners are recycled to recover raw materials or energy. HP never refills, resells, or sends HP print cartridges to a landfill.¹²

Why HP?

With a monthly duty cycle of up to 50,000 pages, this device is built to keep intervention rates low so you can stay productive.⁸ Prior to its introduction, a new HP LaserJet device undergoes rigorous HP testing. Tests are performed with a large sample of devices through each step of the design process, to be certain that the device measures up to HP standards. The result is a solid, reliable product that produces consistent, excellent output quality over the life of the device and its supplies.

¹ HP Smart Install works with Microsoft® Windows only. HP Smart Install is not available on the M401dne model.

² Wireless connectivity is included with the HP LaserJet Pro 400 M401dw and MFP M425dw models only. Wireless performance is dependent upon physical environment and distance from access point, and may be limited during active VPN connections.

³ HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent upon physical environment and distance from access point. For information on compatibility, visit www.hp.com/go/autowirelessconnect.

⁴ Built-in Ethernet is included with HP LaserJet Pro 400 M401n, M401dn, M401dne, M401dw, MFP M425dn, and MFP M425dw models only.

⁵ The 8.89 cm (3.5 in) color touchscreen and business app access is available on the HP LaserJet Pro 400 M401dn, M401dw, MFP M425dn, and MFP M425dw models only. Business apps require a wireless access point and an Internet connection to the printer. Services may require registration. Availability varies by country, language, and agreements, and may require a firmware upgrade. For details, please visit www.hp.com/go/eprintcenter.

⁶ Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. Some HP LaserJets may require a firmware upgrade. For a list of supported documents, and image types, see www.hp.com/go/eprintcenter. And for additional solutions, see www.hp.com/go/mobile-printing-solutions.

⁷ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

⁸ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

⁹ The easy-access USB port is included with HP LaserJet Pro 400 M401dn, M401dw, MFP M425dn, and MFP M425dw models only.

¹⁰ HP Auto-On/Auto-Off Technology capabilities subject to printer and settings.

¹¹ Automatic two-sided printing is available on HP LaserJet Pro 400 M401d, M401dn, M401dw, M401dne, MFP M425dn, and MFP M425dw models only.

¹² Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit www.hp.com/recycle.

¹³ Mobile device must be wireless-enabled. Printer must be HP ePrint-enabled. Feature may require driver or apps, available for download at www.hp.com/go/eprintcenter.

¹⁴ Supports iOS 4.2 and later devices (iPad, iPhone 4, iPhone 3GS, and 3rd and 4th generation iPod touch) that support multitasking. Works with HP ePrint-enabled printers and MFPs. AirPrint and iOS 4.2 and later devices require an 802.11 "wireless network" connection to the printer. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint and the AirPrint Logo are trademarks of Apple Inc. iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.

¹⁵ Compared with products that use traditional fusing and cold cathode fluorescent lamp (CCFL) copying.
