HP Designjet ePrint & Share

HP Designjet ePrint & Share is a free web service that makes it easy to access and print large-format documents using tablets, smartphones, laptops or your printer touchscreen¹.

- Print from virtually anywhere using tablets, smartphones and laptops
- Automatically save a copy of all your prints in the cloud
- Access, view and reprint your Online Print History using a tablet, smartphone, laptop or printer touchscreen
- Conveniently share your History using an automatically generated hyperlink
- Keep your projects safeguarded with trusted HP security features

hp.com/go/eprintandshare

Use Original HP inks and printheads to experience consistent high-quality and reliable performance that enable less downtime. These critical components are designed and engineered together as an optimized printing system to provide precise line accuracy² as well as dark blacks and true neutral grays².

For more information, visit hp.com/go/OriginalHPInks

¹ Requires an HP Designjet ePrint & Share account, Internet connection to the printer, and connected Internet-capable device. When using the HP Designjet ePrint & Share mobile app, a compatible Apple® iOS or Android™ device and Internet connection are required. Data or connection charges may apply. Print times may vary. For more information visit hp.com/go/eprintandshare

² Applicable to HP Designjet T-series Printers, ePrinters, and eMFPs. True neutral grays produced by printers compatible with the HP Three-black ink set.
