

HP Compaq LA1956x 48,3 cm (19") LED Backlit LCD Monitor

Maximize productivity with a smart business monitor for the workplace with the reliable, performance-driven, fully loaded design of the HP Compaq LA1956x 48,3 cm (19") diagonal LED Backlit Monitor.

Absolute business performance

Give your employees more desk space to work while providing ample onscreen room for multitasking with your productivity software on a 48,3 cm (19") diagonal LED backlit display.

Get clear, bright detail for text and graphics with a 5:4 aspect ratio that supports a variety of business applications.

Bring work to life with incredible picture quality, fast on/off switching times and the brilliant imagery of LED backlighting.

Transfer data quickly with convenient, side access to an integrated dual-port USB 2.0 hub.

Get the latest digital display technology of DisplayPort and DVI-D with HDCP support, plus VGA connectivity.

Purpose-driven design

Improve user comfort with a completely adjustable stand. Set the monitor high or low to suit a range of user preferences.

Deliver clear views from multiple angles with swivel rotation and 30° of vertical tilt. Scroll less when reading longer e-mails and web pages with 90° pivot rotation.

Free up valuable desk space with standard VESA mounting compatibility.

Save energy, reduce your impact

Change your company's environmental story and start thinking green with a responsible design and Mercury-free LED backlighting.

Help lower your overall bottom line with an ENERGY STAR® 6.0 qualified, EPEAT® Gold registered display.

Our team is there for your team

Rely on HP's best-in-class service and support, and relax with a standard, three-year limited warranty for parts, labor and on-site service.

Chat and e-mail with your very own team of support technicians, or extend and customize your coverage through HP Care Pack Services.

HP Compaq LA1956x 48,3 cm (19") LED Backlit LCD Monitor

Accessories and services (not included)

HP LCD Speaker Bar

Attach seamlessly to the front bezel of your monitor to add full multimedia support features, including stereo speakers with full sound range and an external jack for headphones.

Product number: NQ576AA

HP USB Graphics Adapter

HP offers a variety of optional products (each sold separately) designed to complement our monitors and enhance the overall computing experience. The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays to help you boost productivity and multi-task across several open applications. Use one Adapter to bridge between a notebook or desktop PC and second monitor or use multiple Adapters to connect several displays to each other. Supports resolutions up to 1920 x 1080 (widescreen) or 1600 x 1200 (traditional).

Product number: NL571AA

HP Integrated Work Center 2 for Small Form Factor

Designed specifically for use with the HP Compaq Small Form Factor (SFF) Desktop PC and a 17 to 24-inch (43.18 to 60.96 cm) diagonal monitor, the HP Integrated Work Center 2 (IWC) - Small Form Factor (SFF) provides a portable, compact workspace to help maximize space-constrained work environments. (17 to 24-inch diagonal monitors need to meet supported weight limits of 7.5 to 12.1 lbs. (3.38 to 5.5 kg).)

Product number: QP897AA

HP Integrated Work Center Stand for Ultra Slim Desktop and Thin Client

The HP Integrated Work Center Stand is designed to help maximize the use of limited desk space without compromising performance or productivity by accommodating an HP Compaq 6005 Pro, or 8000 Series HP Ultra-slim Desktop PC or an HP Thin Client and most HP 17 to 24-inch* (43,18 to 60,96 cm) diagonal LCD monitors (please refer to compatibility in the Quick Spec) with VESA standard mounting brackets. * HP monitors weighing 3,4 kg to 4,8 kg (7.5 lbs to 10.5 lbs).

Product number: LH526AA

5-year Next Business Day Onsite

Care Pack

Receive 5 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U7935E
