HP ProDisplay P201 50,8 cm (20") LED Backlit Monitor

Essential business functionality and energy efficiency at competitive prices.

Keep up the good work with solid performance, a stylish design, and environmental features all at an attractive price point with the HP ProDisplay P201 50,8 cm (20") LED Backlit Monitor. Efficiently grow and maintain your business with proven HP quality and reliability, stable lifecycles, HP accessory compatibility, and energy savings. Do more throughout the day and help save more throughout the quarter with a monitor that goes the distance.

Essential business features

- Support your business needs wherever you need a solid performing monitor at a competitive price with a 50,8 cm (20") diagonal LED business display.
- See the difference with an LED display for vibrant text and graphics presentation. LED technology also makes your display thin, light, and easy to position on the desk.
- Deliver clear views for single and multiple users with wide viewing angles. High contrast ratios and fast response times keep your content crisp and readable throughout the day¹.
- Work comfortably with up to 30 degrees of tilt on the adjustable design, and easily connect to devices with convenient VGA and DVI inputs. The internal power supply minimizes clutter on the desktop and simplifies setup and deployment.

Compatibility with HP accessories

- Customize your work space with options like the HP Quick Release, HP Speaker Bar and HP USB Graphics Adapter (options sold separately).
- Free up valuable space and lift the monitor completely off the desk. The 100-mm standard VESA pattern allows mounting on a HP Monitor Arm, HP Stand, the HP Quick Release and other VESA-compatible accessories (options sold separately).

Stability now, and peace of mind for the future

- Maintain product consistency across staggered deployments, ease transitions and help reduce support costs with a minimum one-year lifecycle stability commitment from HP.
- Support identical installations and unify your operations worldwide with globally consistent products in over 145 countries.
- Get improved reliability and peace of mind from HP quality standard testing that puts our monitors through their paces before you do.
- Rest assured that your IT investment is supported by a standard, three-year limited warranty. Select HP Care Pack Services² to extend service contracts beyond the standard warranties.

Smart software for the multi-tasker

- HP Display Assistant consolidates monitor setting controls into one easy-to-use, centralized interface.
- Customize your workspace with resizable screen partitions that let you work on a document in one partition, refer to a spreadsheet in another, and check e-mails³ in another—at the same time.
- Use the new expanded toolbar to view the applications you're using across all of your connected displays.

Energy efficient, environmentally aware

- Mercury-Free LED backlighting, a BFR/PVC-free design⁴, and arsenic-free display glass⁵ are just a few of the environmental features built into this display.
- Help lower your overall bottom line with award-winning eco-certifications, including ENERGY STAR[®], EPEAT[®] Gold⁶ and TCO.

HP ProDisplay P201 50,8 cm (20") LED Backlit Monitor Specifications Table

Product Number	C9F26AA; C9F26AS; C9F26AT
Display size (diagonal)	50,8 cm (20")
Viewing Angle	170° horizontal; 160° vertical
Brightness	250 cd/m ²
Contrast Ratio	1000:1 static; 3000000:1 dynamic
Response Ratio	5 ms on/off

Messaging Footnotes

¹ All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

² Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. HP Care Pack Services extend service contracts beyond the standard warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at www.hp.com/go/lookuptool. Additional HP Care Pack Services information by product is available at www.hp.com/hps/carepack.

³ Internet access required and not included.

⁴ Meeting the industry definition of 'BFR/PVC-free' per the INEMI Position Statement on "Low Halogen" Electronics. Plastic parts incorporated into the chassis generally contain < 1000 ppm (0.1%) of bromine or chlorine. Printed circuit board and substrate laminates generally contain < 1500 ppm (0.15%) of total bromine and chlorine. Service parts after purchase may not be BFR/PVC-free. External accessories, including power supplies, power cords, and peripherals are not BFR/PVC-free.

⁵ Arsenic and its compounds were not detected using U.S. EPA test methods 3052/6010b by ICP-AES with a Method Detection Limit of 10 ppm.

⁶ EPEAT® Gold where HP registers commercial display products. See www.epeat.net for registration status in your country.
