

LaserJet Enterprise MFP M725 series M725dn • M725f • M725z • M725z+

Enable large-volume printing on a wide range of paper sizes—up to Ledger/A3—with a 4,600-sheet maximum input capacity.² Preview and edit scanning jobs. Centrally manage printing policies. Safeguard sensitive business information.

Print speed:12 Up to 40 ppm black (letter)

Print resolution: Up to 1200 x 1200 dpi black (best)

Scan resolution: Up to $600 \times 600 \, \text{dpi}$ hardware, Up to $600 \, \text{dpi}$ Optical

Standard connectivity: 2 Hi-Speed USB 2.0 Host, 1 Hi-Speed USB 2.0 Device, 1 Gigabit Ethernet 10/100/1000T network, 1 Foreign Interface, 1 Hardware Integration Pocket, 2 Internal USB Host

Duplex print options: Automatic (standard)

Mobile printing capability: HP ePrint, Apple AirPrint™

(HP LaserJet Enterprise MFP M725dn shown)

HP LaserJet Enterprise
MFP M725f

Expand your options with sharp Ledger/A3 printing

- Empower your teams to do more—print, scan, copy, and fax¹ on paper sizes up to Ledger/A3—from a desktop-sized MFP.
- Stay focused on work—paper capacity up to 4,600 sheets and high-capacity cartridges limit interruptions.^{2,4}
- Get impressive document quality with near edge-to-edge printing and a convenient, built-in stapler.⁵
- Print what you need, even on the go—from your smartphone or tablet—using HP ePrint³ or Apple AirPrint™.⁶

Quicken your business pace

- Streamline tasks—print, scan, copy, and fax¹ projects directly at the MFP's large color touchscreen.
- Save time by launching one-touch workflows with HP Quick Sets.
- Get just the results you need—using touchscreen controls to preview, edit, and reorder scans at the device.
- Easily send scanned files to a fax, folder, email, or USB.
 Print right from a memory device via the USB port.

Manage and protect your fleet for the long run

- Simplify fleet management using world-class tools such as HP Web Jetadmin,⁷ and reliably safeguard devices.
- Safeguard data—at rest or in transit—with an encrypted hard drive, user authentication, and security features.
- Add security tools—such as card and badge readers via the hardware integration pocket.⁸
- Extend the capabilities of workteam print environments, using a rich array of easy-to-integrate solutions.

Help save energy and reduce environmental impact

- Reduce energy use with HP Auto-On/Auto-Off Technology,⁹ and conserve power with Instant-on Technology.¹⁰
- Conserve resources and save paper—use automatic two-sided printing.
- Easily recycle Original HP LaserJet toner cartridges through HP Planet Partners.¹¹

HP EcoSolutions

- Reduce energy use with Instant-on Technology.¹
- Reduce paper use by up to 50%, using automatic two-sided printing.
- Reduce waste—scan, store, and distribute documents digitally.

HP LaserJet Enterprise

MFP M725z

HP LaserJet Enterprise MFP M725z+

¹ Fax capabilities are available with an optional fax card on the HP LaserJet Enterprise MFP M725dn. ² Maximum paper capacity of 4,600 sheets requires the purchase of optional paper tray accessories. ³ Requires an Internet connection to HP web-enabled printer and HP ePrint accounts registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see hpconnected.com). Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades. ⁴ High-capacity cartridges are optional for the HP LaserJet Enterprise 200 MFP Series M725. ⁵ In-line stapler is not available on the HP LaserJet Enterprise MFP M725dn or M725f. ⁵ Supports the following devices running iOS 4.2 or later: iPad⁶, iPad⁶ 2, iPhone⁶ (3G Sor later), iPod touch⁶ (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple⁶ inc., registered in the U.S. and other countries. ⁷ HP Web Jetadmin is free and can be downloaded at hp.com/go/webjetadmin. ⁶ Solutions deployed throad begloyed throad be

HP LaserJet Enterprise MFP M725 series

- 1 100-sheet automatic document feeder
- 2 Intuitive 8-inch pivoting color touchscreen control panel with FutureSmart firmware and scan preview
- 3 Hardware integration pocket (HIP) for solution integration
- 4 Easy-access USB port to save and print files directly
- 5 In-line stapler with 500-sheet output bin
- 6 Built-in automatic two-sided printing
- 7 Two 250-sheet input trays, one supporting up to legal and one supporting up to ledger/A3
- 8 3,500-sheet high-capacity feeder and stand for a 4,100-sheet total input capacity
- 9 250-sheet output bin
- 10 Side door allows convenient access to the all-in-one HP print cartridge
- 11 100-sheet multipurpose tray 1 supports a wide variety of paper sizes and types
- 12 800 MHz processor, 1 GB standard memory
- 13 Two internal USB Host ports (for connecting third-party devices)
- 14 HP High-Performance Secure Hard Disk
- 15 Fax port
- 16 Foreign Interface port
- 17 HP Jetdirect Gigabit Ethernet print server
- 18 Hi-Speed USB 2.0 device port
- 19 Hi-Speed USB 2.0 Host port

¹ Measured using ISO/IEC 2473.4, excludes first set of test documents. For more information see hp.com/go/printerclaims, Exact speed varies depending on the system configuration, software application, driver, and document complexity. ² Exact speed varies depending on the system configuration, software application, driver, and document complexity. ¹ Exact speed varies depending on the system configuration, software application, driver, and document complexity. ¹ Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. ¹ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP Laser Jet device, and enables appropriate deployment of printers and MPFs to satisfy the demands of connected individuals or groups. *Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages; this will damage the printer and void the product warranty. Values subject to change, see hp.com/support for current information. Acoustic values are subject to change. For current information see hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 40 ppm.
