

## Specifications

**Table 1.** HP Priority Access Service features

Feature	Delivery specifications
<b>Technical Support Designed for IT</b>	Designed to support IT professionals, rather than end users, this feature leverages the Customer's diagnosis, bypassing standard troubleshooting steps and resulting in up to 30 percent shorter support call times than HP standard remote support.
<b>Global Experience</b>	This feature provides a globally consistent experience in more than 60 countries and over 20 languages. Refer to the 'Geographic coverage' section (table 4) for specific country information.
<b>Direct Access</b>	Customer IT help desk teams get prioritized access to specially trained HP IT support professionals with a toll-free number and a unique PIN.
<b>Online Case Management Tools</b>	This feature provides support tools with Web-based submission and tracking solutions. The HP Support Case Manager (SCM) provides 24x7 access and enables the Customer to submit and manage support cases via the Internet. Additional access information is included in program onboarding information that is sent to the Customer upon purchase.

**Table 2.** HP Priority Management Service features

Feature	Delivery specifications
<b>Priority Management</b>	This service includes all of the features of the Priority Access Service.
<b>Assigned Support Contact</b>	<p>An HP Global Customer Support Manager (GCSM), who is located in the Customer's region and is responsible for meeting global support needs, will be assigned to the Customer.</p> <p>The HP GCSM is a highly trained professional who has a thorough understanding of the Customer's business and strategic IT requirements. The GCSM is located in the same geographic region as the Customer's headquarters location, is aligned with the Customer's executive management, and makes strategic support decisions.</p> <p>If an issue does arise that requires special attention, the GCSM will act as the Customer's single point of contact within HP. In that role, the GCSM can align HP's service professionals to quickly and effectively address the Customer's unique requirements.</p>
<b>Proactive Support Plan</b>	<p>An HP Support Manager will work with the Customer to understand the Customer's business and strategic IT requirements and then design and implement a proactive support plan tailored to meet the Customer's needs.</p> <p>Once the Customer purchases this service, the Support Manager will meet with the Customer and the HP account team to gain a thorough understanding of the Customer's business and IT requirements, including a review and documentation of the Customer's geographical footprint, entitlements, SLAs, and specific support instructions.</p>
<b>Problem Management</b>	<p>This feature provides an assigned support expert to proactively manage and address the Customer's support needs and performance.</p> <p>The HP GCSM regularly monitors key operational performance indicators and tracks results against the Customer's established targets. Through regular Customer updates, this feature provides thorough root-cause analysis, corrective action plans, and resolution timelines.</p>
<b>Parts Prioritization</b>	<p>Whether the Customer has experienced a natural disaster or everyday technical issues, this feature provides the Customer with proactive prioritized access to parts that improve end-user uptime.</p> <p>In the event that a part shortage occurs, fulfillment of orders for HP Priority Management Customers will be prioritized at the time inventory becomes available. Additionally, support teams may utilize exceptional methods to acquire inventory for these Customers including, but not limited to, internal inventory sourcing, expedited factory deliveries, and broker purchases.</p>

Feature	Delivery specifications
<b>Performance Management</b>	<p>This feature provides executive-level reporting that assesses the Customer's unique product quality and service status, as well as regular status communications to track the support health of the installed base.</p> <p>This feature provides monthly and quarterly reviews with the HP global support manager to recap performance metrics. Quarterly performance summary reports provide action plans to address any deviations from targets; monthly open and closed escalations include an issue summary and root-cause action plans.</p>

## Customer responsibilities

If the Customer does not act upon the specified Customer responsibilities, at HP's discretion, HP or the HP authorized service provider will i) not be obligated to deliver the services as described or ii) perform such service at the Customer's expense at the prevailing time and material rates.

The Customer will:

- Provide an accurate estimate of the entire HP installed base with a valid HP warranty or HP extended hardware service contract
- Prior to a support incident, conduct internal troubleshooting and diagnosis
- During a support incident, have the Customer's designated support contact perform the following:
  - Provide all information necessary for HP to deliver timely and professional support and to enable HP to determine the level of support eligibility
  - Perform other reasonable activities to help HP identify or resolve problems, as requested by HP

## Service limitations

Activities such as, but not limited to, the following are excluded from this service:

- Hardware without a valid HP warranty or HP extended service contract (except as noted in the 'Service eligibility' section)
- Resolution of hardware-related problems encountered during the verification testing process, unless covered by an active HP warranty or an applicable HP Hardware Support agreement
- Services required due to failure of the Customer to incorporate any system fix, repair, patch, or modification provided to the Customer by HP
- Services required due to failure of the Customer to take avoidance action previously advised by HP
- Services that, in the opinion of HP, are required due to unauthorized attempts by non-HP personnel to install, repair, maintain, or modify hardware, firmware, or software
- Any services not clearly specified in this document

Parts prioritization is not available in the following countries: Dominican Republic, Ecuador, Guatemala, Honduras, Nicaragua, and Uruguay.

### General provisions/Other exclusions

- HP Priority Services activation process will begin within 30 days of purchase.
- HP reserves the right to deny this service if the Customer provides inaccurate or fraudulent information regarding the Customer's in-warranty installed base.
- HP reserves the right to conduct routine audits of the Customer's in-warranty installed base to ensure that there is an accurate sizing of the fleet.
- HP's ability to deliver this service is dependent upon the Customer's full and timely cooperation with HP, as well as the accuracy and completeness of any information and data the Customer provides to HP.
- Geographic locations and languages are subject to change.
