HP ProDisplay P17A 43,18 cm (17") 5:4 LED Backlit Monitor

Your legacy-friendly everyday business monitor

Get productive with an essential business monitor featuring solid performance, a 5:4 aspect ratio for business-specific applications, and energy savings—all at an attractive price point. Grow with a stylish monitor backed by HP reliability, a stable lifecycle, and HP accessory compatibility.

Business-class presentation features.

- Get crisp, clear views of your documents and e-mail with 1280 x 1024 resolution and 5 ms response time on a 43,18 cm (17") diagonal screen.¹ Quickly connect to your devices with a VGA input. Keep your work space tidy with the internal power supply.

Stay the course.

- Keep the 5:4 aspect ratio that your business-specific enterprise and public sector applications are designed to work with.

Budget-friendly product stability.

- Get a stable product lifecycle and minimum one-year lifespan at a price point that's easy on your wallet. Be confident in the improved reliability of a monitor that has been through its paces with HP quality standard testing.

Designed with the environment in mind.

- Reduce power consumption and lower costs with an energy efficient design that is ENERGY STAR® and TCO qualified and EPEAT® Gold registered.² Includes mercury-free display backlights, low halogen design,³ and arsenic-free display glass.
- Customize your display's position with adjustable tilt settings and 170-degree horizontal and 160-degree vertical viewing angles.
- Mount on a wall with the HP Quick Release and standard 100-mm VESA pattern. Keep it compact with the HP Integrated Work Center Stand and a PC or thin client. Boost audio with the HP Speaker Bar.⁴
- Personalize your workspace with HP Display Assistant software and view open applications on all of your connected displays.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.⁵
