

HP Retail Expansion Dock for ElitePad

Smooth move. From mobile to stationary and back again - it's a snap. Slip the HP ElitePad Mobile POS Solution into the HP Retail Expansion Dock for a fully integrated solution.

- Dock your mobile device and plug into your complete range of POS peripherals for a comprehensive sales transaction. Access cash, print receipts and more.
- Easily raise, lower, and tilt the screen for optimal viewing comfort thanks to a double hinge design. Add a secondary display via the HDMI and VGA ports.
- Feel free to roam. Your mobile POS unit can be key-locked into the HP Retail Expansion Dock, which can be secured to the counter or cash drawer.
- 7 USB ports: 4 USB 2.0 ports; 2 PUSB 12 volts ports; 1 PUSB 24 volts port

¹ Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See <http://www.microsoft.com>. The integrated display resolution of this system is below the threshold for snapping apps, a new feature that allows two Windows apps to be viewed simultaneously side by side. This feature may be enabled by attaching an external display which supports a screen resolution of 1366 x 768 or higher.
