

HP Retail Peripherals

Build POS solutions with everything you need and nothing that you don't

Designed to give you the flexibility to customise a complete POS solution just right for your business, HP Retail Peripherals include displays, printers, scanners, drawers, MSRs, and other accessories that extend the functionality of your HP Retail System.

HP Retail Peripherals

HP Retail Peripherals can be purchased for use with all of the HP Retail Systems or stand alone to be used with your existing POS solution.

Monitors and Displays

HP offers choices that include the latest in touchscreen technology —Projected Capacitive Touch (PCAP), Acoustic Pulse Recognition (APR), and Surface Acoustic Wave (SAW) technology— as well as non-touch displays.

Warranty

Most HP Retail Peripherals are supported by a three-year standard advanced exchange warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.¹

* These integrated peripherals can also be used with the HP L6015tm and L6017tm PCAP monitors.

¹ HP Care Pack Services are sold separately. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See hp.com/go/cpc for details.
