

# HP t310 All-in-One Zero Client

The all-in-one for virtual workspaces.

Maximize available workspace while saving time and money with the PCoIP-optimized HP t310 AiO Thin Client that connects users to your VMware networks in no time.

**Small size, big performance.**

Enjoy a seamless, high-performance VMware desktop driven by Tera 2 PCoIP that delivers low display latency and fast response time, even for your most demanding applications.

**Keep it simple.**

Make it easy to deploy, manage, and maintain your install base with HP Device Manager, a software tool available exclusively for HP Thin Clients.

**Be secure.**

Keep all data in the data center with a thin client that transfers screens to the local user for an ultra-high level of security and easy client management. Reduce IT costs and simplify deployment with centralized support and management.

**Rest easy with a smart investment.**

Be future-ready with a 36-month long lifecycle that supports extended deployments, get global support from a standard three-year limited warranty, and help save money with an energy-efficient design that carries globally recognized eco-certifications.
