

# HP Pro 3500 G2 Microtower PC

HP Pro 3500 G2 Microtower Business PC gives you the performance you need for everyday workloads at a price that fits your budget.

## HP recommends Windows.

Windows 8.1<sup>1</sup>

Up to 1 TB<sup>2</sup> hard drive space

### A smart design that fits just right.

The HP Pro 3500 G2 Microtower Business PC offers your business a fully functional, business PC with the heritage of HP quality and reliability.

### Performance when you need it.

Boost productivity with powerful business PC technology. Enjoy Windows 8.1<sup>1</sup> and power through projects with the powerful Intel® Core™ i3 processors.<sup>3</sup>

### Relax and rely on HP.

Built to last, that's our commitment. With innovative engineering and thousands of hours of testing, you get a reliable and durable desktop for your investment.

### Features

The industrial design of the HP Pro 3500 G2 MT features clean lines and a high-gloss black finish for the ultimate modern look.

Configure drive options for up to 1TB<sup>2</sup> of drive space. Customize the HP Pro 3500 G2 MT to your performance needs.

Bring presentations to the next level with integrated Intel® HD Graphics or optional NVIDIA GeForce 705 graphics<sup>7</sup> for high-caliber visual performance in graphic-intensive applications.

The HP Pro 3500 G2 MT comes standard with a variety of well-placed ports for quick access, including 6 USB 2.0 ports (2 front-facing and 4 rear facing), RJ-45 and more.

Take advantage of customizable expansion options with 1 PCI Express x1 and 1 PCI Express x16 slots to support accessory cards.

Keep everything in plain sight and be up to 35%<sup>4</sup> more productive. There's plenty of screen room for all your work with support for up to two displays.<sup>5</sup>

Rely on HP's award-winning service and support with a standard, 1-year limited warranty.

Relax. You're backed by expert support when you extend and expand beyond your standard limited warranty with optional HP Care Packs. Pick your own service package so you'll have the help you need.<sup>6</sup>

### Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.; <sup>2</sup> For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of system disk (for Windows 8.1) is reserved for system recovery software.; <sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; <sup>4</sup> "Observed Productivity, Efficiency and User Satisfaction when Using Multiple or Large Displays," Koala LLC Ergonomics Consulting, November 6, 2012.; <sup>5</sup> Support for external displays as a standard feature through integrated processor-based graphics is dependent upon the particular PC platform/form factor; the actual number of displays supported will vary. Additional cables required.; <sup>6</sup> HP Care Packs are sold separately as optional services. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.; <sup>7</sup> Optional feature sold separately or as an add-on feature.

### Technical specifications disclaimers

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.; <sup>2</sup> This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.; <sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; <sup>4</sup> Full availability of 4 GB or more of memory requires a 64-bit operating system. With Windows 32-bit operating systems, the amount of usable memory is dependent upon your configuration, so that above 3 GB all memory may not be available due to system resource requirements.; <sup>5</sup> For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 36 GB of system disk (for Windows 8.1) is reserved for system recovery software.; <sup>6</sup> Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 Double Sided-Version 1.0 Media.; <sup>7</sup> HD content required to view HD images.; <sup>8</sup> Integrated Intel HD graphics uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.; <sup>9</sup> Optional or add-on feature.; <sup>10</sup> Requires an Internet connection to HP web-enabled printer and HP ePrint account registration, see [www.hp.com/eprint](http://www.hp.com/eprint).
