

# HP ElitePad Mobile POS Solution

Now more than ever, it's important to create a personalized shopping experience. Transform your business with a mobile point of sale solution designed for retail. Slip the HP ElitePad into the HP Retail Jacket for ElitePad to enhance customer service—from the palm of your hand.

## HP recommends Windows.

### Take your store experience to the next level

- The HP ElitePad Mobile POS Solution looks great, is built to last, and works dependably, everywhere from the store floor to the back room. The HP Retail Jacket features fully integrated POS functionalities, that when coupled with the HP ElitePad, allow associates to accelerate checkout, increase sales, and respond more quickly to customers. The Solution also can be used to assist store management with internal communications, reporting, and workforce management.

### Unthethered sales

- With the HP ElitePad Mobile POS Solution, you can easily engage with customers on the store floor using mobile sales tools designed to inform and sell. You'll easily mobilize your customer service with the Retail Jacket's built-in barcode scanner and magnetic stripe reader.<sup>1</sup>

### Steady and ready for action

- The HP ElitePad Mobile POS Solution will take to the floor with confidence. The hand strap steadies the device so you can focus on the sale without worrying about awkward slips or grip fatigue.

### Never slow down

- Make the most of every sales opportunity with extended battery life. The optional secondary battery<sup>2</sup> keeps you working even longer without worrying about recharging.

# HP ElitePad Mobile POS Solution

HP recommends Windows.

<b>Available Operating System</b>	Windows Embedded 8.1 Industry 64 <sup>10</sup>
<b>Available Processors</b>	Intel® Atom® Z3795 (1.6 GHz, up to 2.39 GHz using Intel Burst Technology, 2 MB cache, 4 cores) <sup>7</sup>
<b>Chipset</b>	Chipset integrated on processor
<b>Maximum Memory</b>	4 GB LPDDR3 1067 MHz SDRAM <sup>6</sup>
<b>Internal Storage</b>	64 GB eMMC SSD <sup>1</sup>
<b>Display / Touch Technology</b>	10.1" diagonal WUXGA UWVA (1920 x 1200), capacitive multi-touch screen with digitizer, Corning® Gorilla® Glass 3 with anti-smudge coating

Accessories and services (not included)

---

HP Value Serial USB Receipt Printer

Complete your retail solution with the HP Value Serial/USB Receipt Printer, a single-station thermal receipt printer designed for solid performance and reliability in retail environments.

**Product number: F7M66AA**

---

HP Heavy Duty Cash Drawer

Designed around a full-sized till, the HP Cash Drawer has a narrow footprint, minimizing the amount of counter space required in your retail environment. There is ample storage in a deep under-till compartment to hold coin rolls and packaged bills.

**Product number: FK182AA**

---

HP PUSB Thermal Receipt Printer

The HP PUSB Thermal Receipt Printer is designed for retail environments with its durable design and print performance. Its compact size also makes it perfect for space-constrained locations.

**Product number: FK224AA**

---

HP Standard Duty Cash Drawer

HP's Standard Duty Cash Drawer provides excellent performance and reliability to meet the needs of today's retailers. Durable steel construction, compact footprint and dual media slots make this a great solution for retail and hospitality environments where a quality cash drawer solution is desired at a competitive price.

**Product number: QT457AA**

---

5-year Next Business Day Onsite

Care Pack

Receive 5 years of next business day onsite repair from an HP-qualified technician for your Point of Sale solution, if the issue cannot be solved remotely

**Product number: U7R43E**

### Messaging Footnotes

<sup>1</sup> Internet access is required and not included.

<sup>2</sup> Sold separately or purchased as an optional feature.

<sup>3</sup> This system is Windows 8 certified and supports the new Windows UI.

### Technical Specifications Footnotes

<sup>1</sup> For solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 5 GB for Windows 8.1 is reserved for system recovery software.

<sup>2</sup> Shoulder slings not sold by HP but are available from various third party retailers.

<sup>3</sup> Included with HP Retail Jacket and Internet access required.

<sup>4</sup> 802.11 requires wireless access point and internet service. Availability of public wireless access points limited.

<sup>5</sup> HD content required to view HD images.

<sup>6</sup> Memory operates at the maximum system supported speed of 1067 MHz.

<sup>7</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>8</sup> HP Client Security requires Microsoft Windows and initial user setup.

<sup>9</sup> HP ElitePad includes a 4-year license of Absolute Data-Protect to locate your device, lock and prevent unauthorized access, and remotely delete personal data. See [absolute.com/landing/2012/computrace-hp](http://absolute.com/landing/2012/computrace-hp) for complete details. Absolute Data Protect agent is shipped turned off, and must be activated by customers. Service may be limited, check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. Full details visit: [absolute.com/company/legal/agreements/computrace-agreement](http://absolute.com/company/legal/agreements/computrace-agreement). If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

<sup>10</sup> Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com> for details.

<sup>11</sup> Testing conducted by HP consisting of full battery discharge while running a series of productivity scripts against the following applications (which may or may not be included with your particular product): Adobe® AcrobatReader 7.0, Adobe® Illustrator® CS2, Adobe® Photoshop® CS2, Apple® Quicktime 7.1, Intervideo® WinDVD® 8, Macromedia® Flash 8, Microsoft® Office® 2003 Pro, Microsoft® Project 2003, and Winzip® 10.0. Prior to testing, the system was fully charged, display brightness was set at 60 nits, wireless was turned off, and auto dim, suspend, hibernate and all other programs, utilities, and services not essential to running the computer system or battery life test were disabled. Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage.

<sup>12</sup> HP ePrint requires an Internet connection to HP web-enabled printer. Printer requires HP ePrint account registration. Mobile device requires Internet connection. May require wireless access point. Separately purchased data plans or usage fees may apply. Driver update may be required. For more details, visit: [www.hp.com/go/eprintssoftware.com](http://www.hp.com/go/eprintssoftware.com).
