

HP EliteBook 750 G1 Notebook PC

Take charge of your day with the HP EliteBook 750 G1 with Windows 8.1,¹ 4th generation Intel® Core™ i3/i5 processors,² and strong security features from HP. The elegant thin and light design with optional FHD touch display³ makes the EliteBook ultra-productive in and out of the office. Powerful technology from HP helps you stay productive to support your thriving business.

HP recommends Windows.

Windows 8.1¹

Screen Size: 39,6 cm (15.6") diagonal

Elegantly designed

Enjoy the elegant, thin, and lightweight design of the full-featured 39,6 cm (15.6") Ultrabook™¹³ notebook. Stay productive with Windows 8.1,¹ and powerful 4th generation Intel® Core™ i3/i5 processors² that provide excellent battery life.

Impressively interactive

Make the most of Windows 8.1¹ with the intuitive control and impressive clarity of the optional FHD touchscreen³ featuring tough Corning® Gorilla® Glass 3.

Expand your view

Add the optional HP UltraSlim docking station⁴ with two DisplayPorts to help you stay productive throughout the day. Expand your display and connectivity quickly and easily.

Featuring

Get equipped for business with a drop-jaw Ethernet port, VGA port, DisplayPort, and USB Ports, and an optional spill-resistant backlit keyboard,⁴ and an EasyAccess panel to get to key components.

Never fear bumps and minor spills. The thin and light HP EliteBook 750 G1 endures HP's Total Test Process of 115000 hours and is designed to undergo MIL-SPEC 810G tests including drop testing.⁵

Corruption detection and HP Sure Start mean you can always keep business moving.

HP BIOSphere keeps mission-critical data and systems protected with customizable security.⁷

The latest storage options ensure optimum performance from your HP EliteBook. Choose from a range of HDD and SSD options as well as flash cache and a mini-card SSD.

Stay connected to get work done in the field with HP Connection Manager,⁸ HP Wireless Hotspot,⁹ and HP Mobile Connect¹⁰ (EMEA only) and optional 4G LTE.¹¹

HP 3D DriveGuard¹² helps protect critical information while you're on the move.

HP EliteBook 750 G1 Notebook PC

HP recommends Windows.

Accessories and services (not included)

3-year Next Business Day
Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U4391E

Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.; ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; ³ Touch panel sold as an optional feature and has chemically-strengthened Gorilla glass top cover.; ⁴ Sold separately or as an optional feature.; ⁵ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions.; ⁷ HP BIOSphere features may vary depending on the PC platform & configuration.; ⁸ HP Connection Manager available on Windows 7 only.; ⁹ The wireless hotspot application requires an active internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.; ¹⁰ HP Mobile Connect service requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at hp.com/go/mobileconnect.; ¹¹ 4G LTE WWAN is an optional feature, not available on all products, in all regions and requires separately purchased service contract. Check with service provider for coverage and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.; ¹² Requires Windows operating system.; ¹³ Not all configurations will qualify as Ultrabooks™.

Technical specifications disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.; ² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.; ³ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; ⁴ Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.; ⁵ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 8) is reserved for system recovery software.; ⁶ 802.11 wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.; ⁷ 4G LTE module is optional, must be configured at the factory and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.; ⁸ HD content required to view HD images.; ⁹ HP 3D Drive Guard requires Windows.; ¹⁰ The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.; ¹¹ HP Mobile Connect is available in select EMEA countries and requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect.; ¹² HP PageLift requires Windows 8.; ¹³ HP Support Assistant: internet access required.; ¹⁴ ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/eprint.; ¹⁵ HP Client Security requires Windows.; ¹⁶ File Sanitizer is for the use cases outlined in the DDD 5220.22-M Supplement. Does not support Solid State Drives (SSDs). Initial setup required. Web history deleted only in Internet Explorer and Firefox browsers and must be user enabled. With Windows 8.1, user must turn off Enhanced Protection Mode in IE11 for shred on browser close feature.; ¹⁷ HP Drive Encryption requires Windows. Data is protected prior to Drive Encryption login. Turning the PC off or into hibernate logs out of Drive Encryption and prevents data access.; ¹⁸ Microsoft Security Essentials and Microsoft Defender require internet access.; ¹⁹ Secure Erase is for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.; ²⁰ Password Manager requires Explorer or Chrome. Some websites and applications may not be supported. User may need to enable or allow the add-on / extension in the internet browser.; ²¹ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
